(Checklist continued from page one)

**Documentation of Use: Submit any evidence that is available to justify the claim of being built as or converted into a legal duplex and having continued such use to the present:**

- Polk Directory** (required documentation) These publications are available at the nonfiction desk at Weber County Library, 2424 Jefferson, the WSU Library, or the Family History Center. Polk Directories show a record of the occupants at an address for a given year. This information is critical to establishing previous use. Property addresses are listed in the green and pink sections. When submitting *Polk Directory* evidence, please include the following:
- Photocopies of all relevant entries
  - Directories showing proposed use on average every five years from 1951 to present
  - Write the date on each copy

**Any additional evidence that is available to justify the claim.** This may include:

- **Date** that building was constructed
- **Building permit** records
- **Letters** from neighbors stating how long the building has been used as such

**Current ownership plat** and a copy of the **legal description**, both available here: <http://www3.co.weber.ut.us/psearch/summary.php> or at 2380 Washington Boulevard, in the Weber County Recorder's office.

Please note as a general rule:

- If the lot area is **less than 7,500 square feet**, you must provide evidence of uninterrupted use to the present day.
- If the lot **exceeds 7,500 square feet**, then earliest evidence of use is dependent upon the number of existing **legal\*** parking spaces found on the site as follows:
  - a) Less than 2 parking spaces: provide evidence prior to 1951 to the present
  - b) Less than 4 parking spaces: provide evidence prior to 1969 to present
  - c) Four or more **tandem** parking spaces (stacked end to end): provide evidence prior to 1977 to the present.
  - d) Four or more **side-by-side** parking spaces: provide evidence prior to 2001 to present.

*\*a legal parking space is defined as one measuring a minimum of 8.5 feet x 18 feet (minimum) on hard-surface pavement and is located behind the required front yard setback.\**

**Note: It is up to the person requesting the certificate to prove beyond doubt that there is a legal right. Any combination of the options listed above can be considered as evidence by the Planning Staff.**

### Review Process

#### **Staff Review**

Once the complete application has been submitted, the Community Development department will review the request. The Planning Division may conduct its own investigation to insure the information is accurate, and there are no questions about the duplex. The department may require further information from the applicant if there are questions about the duplex, or if there is conflicting or missing information.

#### **Determination**

After the request has been reviewed and all information provided to make a decision, the Planning Division shall either issue a Non-complying Certificate or deny the request and give written reasons for the denial.

#### **Appeal**

The applicant may request a further administrative hearing within 15 days of the mailing of the decision to deny the application. The request for a hearing shall be made in writing to the Director of Planning, who shall then establish a date, time and place to hold the hearing.
