

2015 HISTORIC SCAVENGER HUNT

CENTRAL BENCH APARTMENTS

**Sponsored by the Ogden City Landmarks Commission &
Weber County Heritage Foundation**

1. Built in two phases, my main structure is styled Romanesque revival, while my porches are Prairie Style. What building am I?

Answer:

Avon Apartments
961 25th

2. I have a simple vernacular design but include features such as a unique double-stacked brick pattern, Spanish tile detail and vertical reliefs. What building am I?

Answer:

Apartments at 27th & Adams
2707 Adams Ave

3. Straightforward and utilitarian in design; my large cast concrete lintels and sills are among my most distinct design features. What building am I?

Answer:

Farnsworth Apartments 2539 Jefferson Ave

4. This Prairie style building is yet another example of the efforts of the Browning brothers in Ogden. What building am I?

Answer:

Fairview Apartments

587 27th

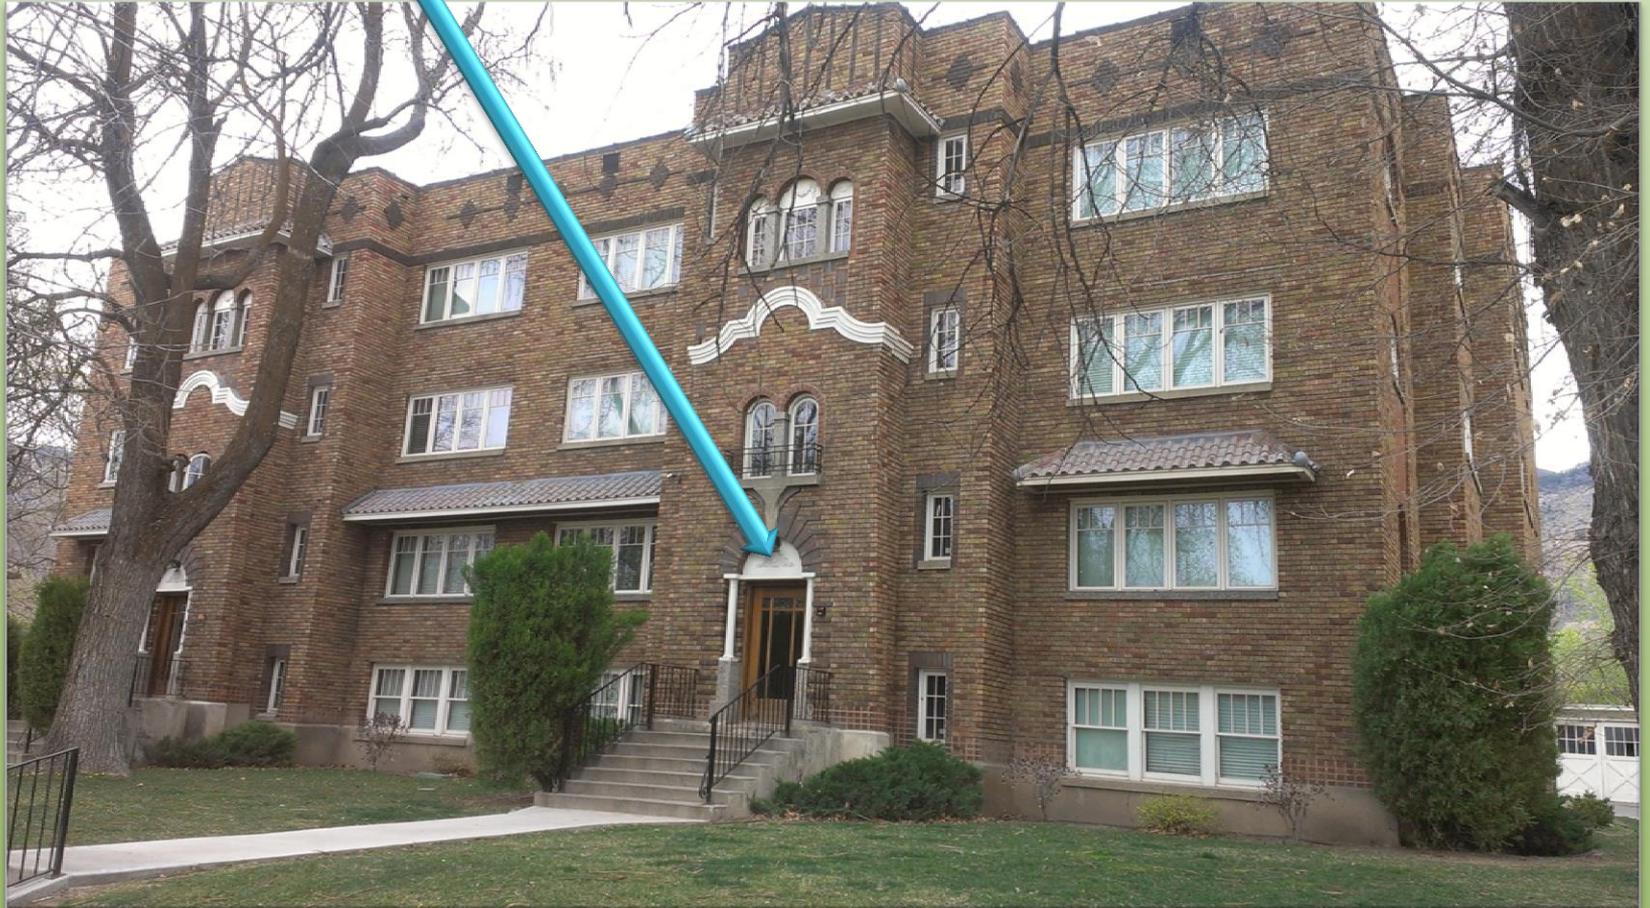

5. Situated quietly amongst large deciduous trees, this eclectic building was financed by prominent beverage entrepreneur Gus Becker and features rich architectural details. I also have a near-twin on the other side of the neighborhood. What building am I?

Answer:

Elmhurst Apartments

2432 Van Buren

6. Built in 1925, I feature an overhanging cornice, cantilevered front balconies, flat-arched Chicago style windows and shallow pilasters to my otherwise modern vernacular design. What building am I?

Answer:

Arvondor Apartments
823 23rd

7. This simple modern vernacular building and its twin were built as a joint family venture and included co-ownership with two Browning brothers. What building am I?

Answer:

La Frantz Apartments
461 27th

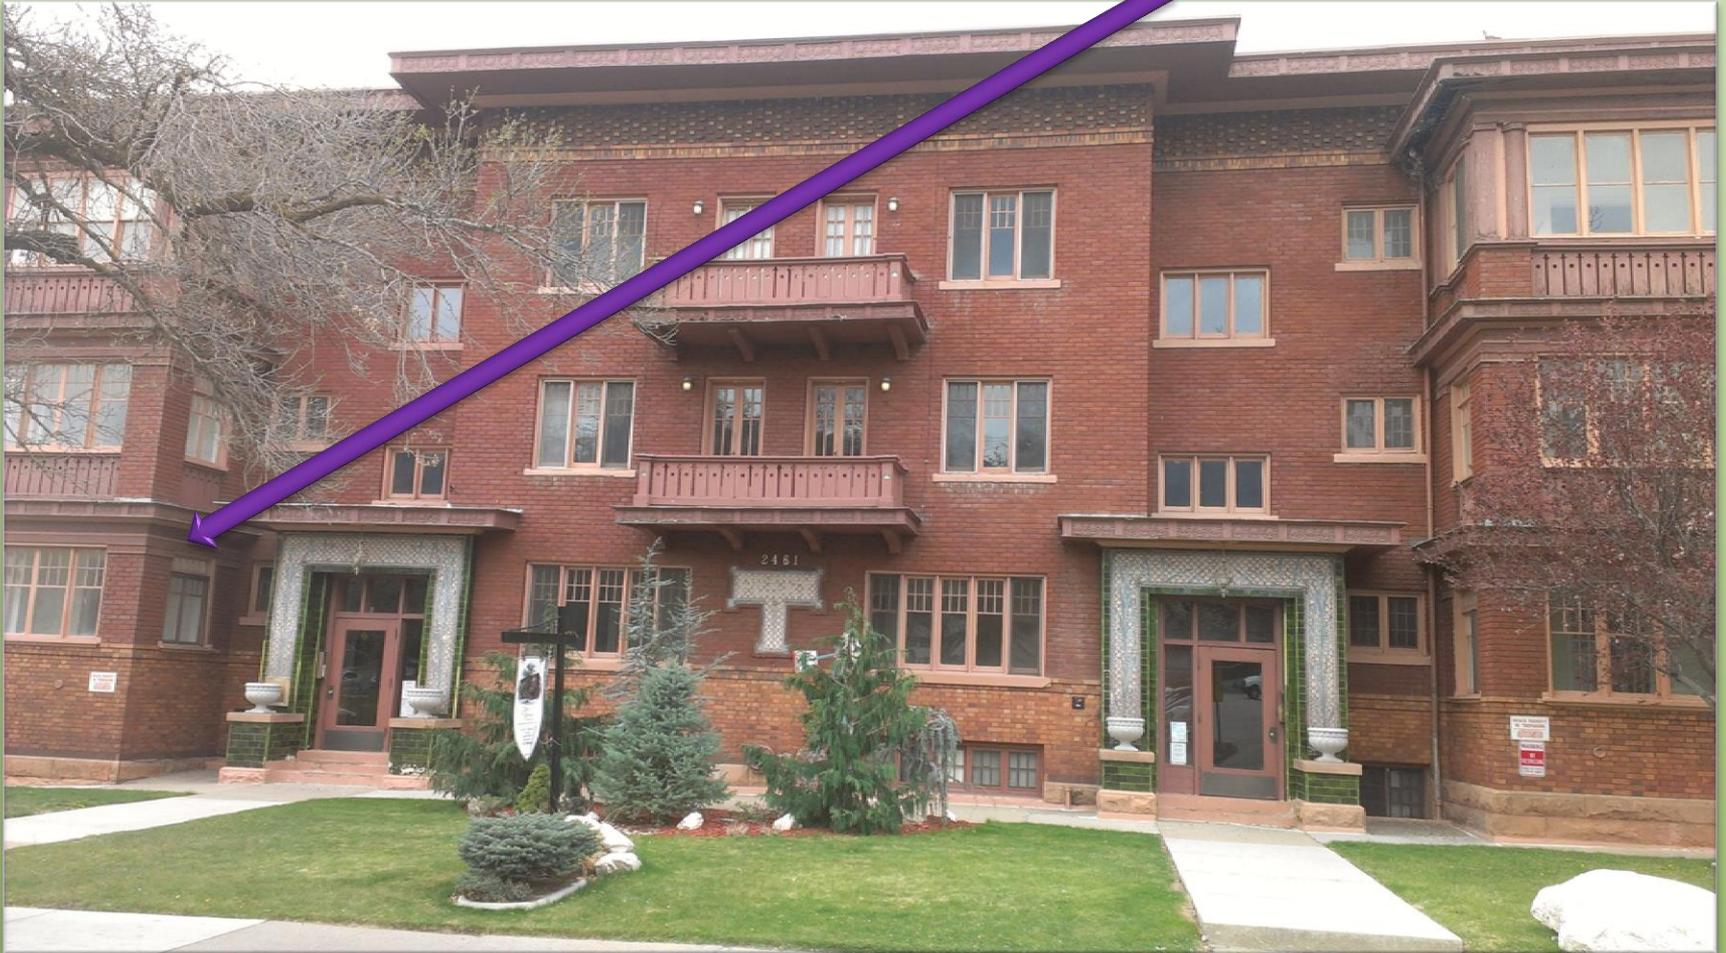

8. Ogden's "Cowboy Mayor" helped construct this high-class Prairie Style building as a teenager. What building am I?

Answer:

Perry Apartments 2461 Adams Ave

9. My eclectic design features an Italian Renaissance Revival entry feature, but Prairie style windows and geometric patterns. What building am I?

Answer:

Fontenelle Apartments 2465 Monroe

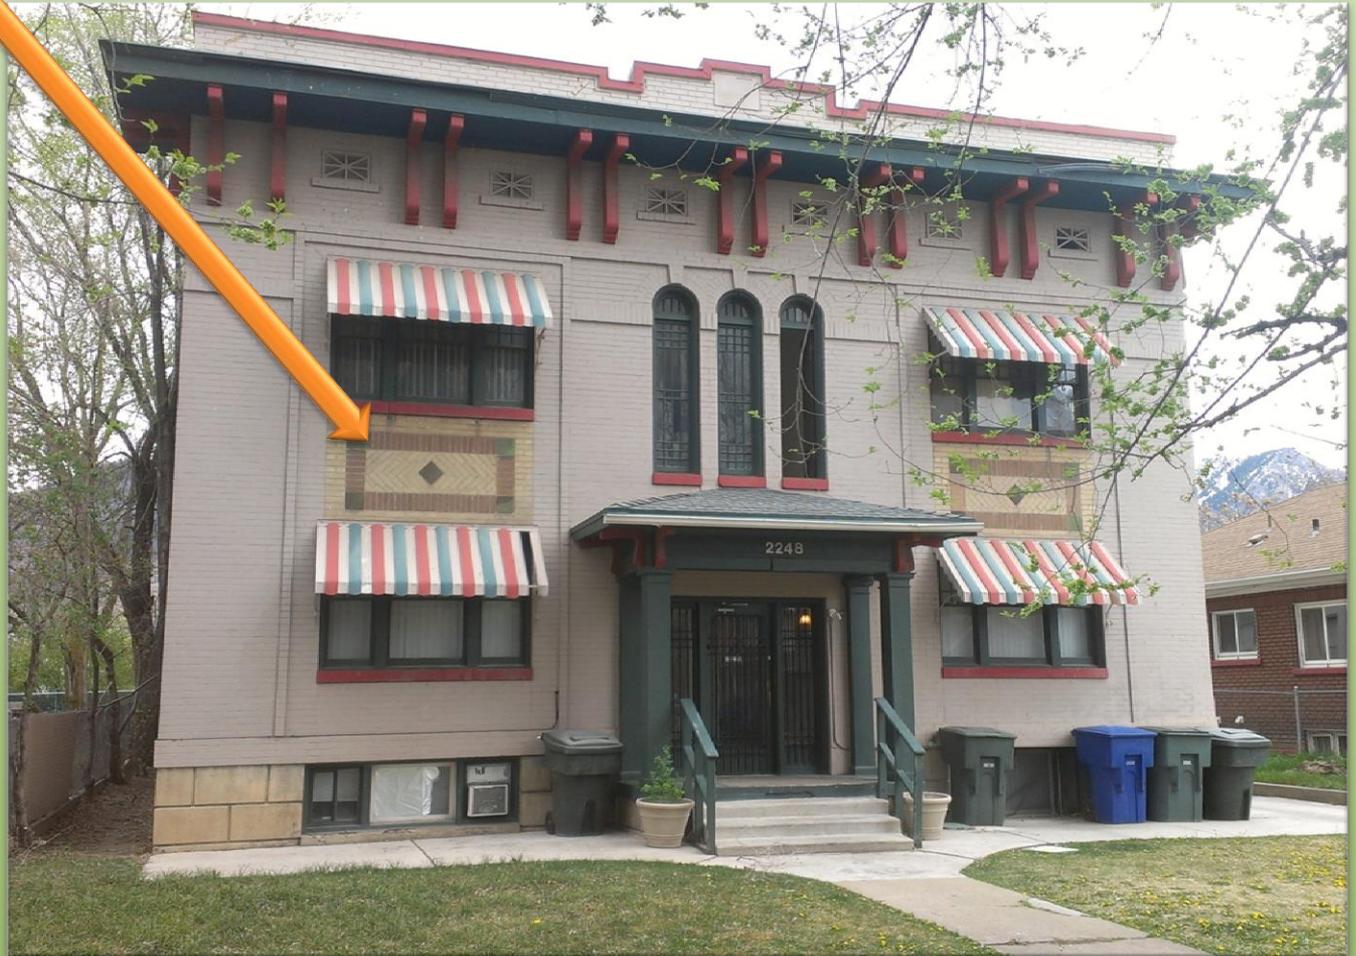

10. Generally considered Prairie style, further inspection reveals eclectic inspiration including Roman arched windows which each contain 72 panes of glass. What building am I?

Answer:

Helms Apartments 2248 Jefferson Ave

11. My architecture is eclectic, but includes influence from the Spanish Colonial Revival. What building am I?

Answer:

Upton Apartments 2300 Jefferson Ave

12. My design includes heavy Romanesque Revival architectural influence with thick walls, round arches, and sturdy piers. What building am I?

Answer:

Jones Apartments 2616 Monroe Blvd
