ORDINANCE NO. 2015-25

AN ORDINANCE OF OGDEN CITY, UTAH, ADOPTING THE BUDGET FOR OGDEN CITY FOR THE FISCAL YEAR FROM JULY 1, 2015, TO JUNE 30, 2016; AND PROVIDING THAT THIS ORDINANCE SHALL TAKE EFFECT IMMEDIATELY UPON ITS ADOPTION AND DEPOSIT WITH THE CITY RECORDER.

WHEREAS, on the 5th day of May, 2015, pursuant to the Uniform Fiscal Procedures Act for Utah Cities (Utah Code Annotated Section 10-6-101, et seq., as amended), the Mayor submitted to the Council of Ogden City the proposed Operating Budget; Capital Improvements Budget; Enterprise Funds Budget; Internal Service Funds Budget; Grant and Donations Fund Budget; Personnel Schedules; and his budget message, all for the fiscal year of July 1, 2015, to June 30, 2016, as required by said Statute; and

WHEREAS, the said proposed or tentative budget and all supporting schedules were tentatively adopted by the Council, and the public hearing thereon was initially fixed to be held during the regularly scheduled City Council meeting at 6:00 p.m., on June 2, 2015. Those proposed budgets were, more than fifteen days prior to the public hearing, deposited with the Director of Management Services and the City Recorder as a public record where they have remained until this date; and

WHEREAS, on the 2nd day of June, 2015, after due publication of notice at least seven days prior thereto, the Council adopted the tentative budget, and set the public hearing for the final budget on June 16, 2015; and

WHEREAS, on June 16, 2015, the Council adjusted the proposed or tentative budget by the adjustments detailed in Schedule "A" attached hereto; and

WHEREAS, the adopted budget contains an appropriation amount within the Non-Departmental Account within the General Fund for adjustment of anticipated property tax revenues to conform to the Weber County Clerk/Auditor's projection at the current certified tax rate; and

WHEREAS, capital project balances and City-wide encumbrances will not be known until the financial records are closed for fiscal year 2015, authority is granted for those amounts to be posted to this budget when determined by the audit of the City's financial records for fiscal year 2015, with a schedule of such action provided to the City Council in a City Council meeting; and

WHEREAS, any balance in the business recruitment account shall become a reservation fund balance and carry over into the next fiscal year.

NOW, THEREFORE, the Council of Ogden City hereby ordains:

SECTION 1. The budget aforesaid, consisting of the Operating Budget, Capital Improvements Budget, Enterprise Funds Budget, Internal Service Funds Budget, Grant and Donations Fund Budget, and the personnel schedules ("staffing document") authorizing the number of full-time employment positions for each department including certain Non-Merit, Special employee

positions, as said budget and schedules are adjusted as depicted in Schedule "A" (including Schedule A-1) and Schedule "B" and also consisting of the Council's budget overview, budget guidelines, and budget goals as provided in Schedule "C" attached hereto and incorporated by reference, is hereby adopted and made the official budget of Ogden City for the fiscal year of July 1, 2015, through and including June 30, 2016.

SECTION 2. This Ordinance shall take effect immediately upon its adoption and deposit with the City Recorder, who shall forthwith certify a copy thereof to the Director of Management Services.

PASSED, ADOPTED AND ORDERED POSTED by the Council of Ogden City this 16th day of June, 2015.

--	-----------------------	-----------------------

OGDEN CITY COUNCIL BUDGET OVERVIEW

FISCAL YEAR 2016—ADOPTED JUNE 16, 2015

The City Council is pleased to present the FY2016 Budget for Ogden City. The Mayor, CAO, department directors and administrative staff did a tremendous job in balancing the many needs of the City. The Mayor's proposed budget focused on areas of greatest need while still touching on areas of importance to our citizens. With the Council's changes, this budget is balanced both as a financial document and in its approach to meeting the needs of the employees, the desires of the community, and funding of City services, infrastructure, and economic development projects.

The old saying "a rising tide raises all ships" has become a mantra at the City. Everything we as elected officials and City staff do is geared toward making Ogden City a better place for every one of its residents. As the Council reviewed and deliberated over the budget, we were careful to consider whether funding for economic development, community development, parks, trails and other recreational activities, along with the myriad of other City activities struck a balance and accord. We wanted to ensure that taxpayer dollars were spent in a way that would bring the most benefit to the City as a whole. We appreciate Mayor Caldwell establishing the Mayor's Office for Diversity Affairs. This office will support the City's efforts to be recognized as a welcoming and inclusive community. We also express appreciation to those involved in our College Town Initiative. Significant progress has been made over the past three years and we look forward to continued success as we collaborate together.

The City budget is a living, breathing document. We know it will change as circumstances or priorities change or as unique opportunities become available. The Ogden City Fiscal Year 2016 Budget provides a solid foundation for the upcoming year.

**Message from
Council Chair
Richard A. Hyer**

FY2015-2016 Budget Priorities

- Employee Compensation
- Citizen Assistance Programs
- Diversity Affairs
- Capital Improvements
- City-assisted Redevelopment
- College Town

Union Station

WWII Era Elevators
Ogden City Municipal Building

City Facilities

The City will again be managing day-to-day maintenance and operations of the Marshall White Center--an integral part of the City's recreation program. The Municipal Building's World War II era elevators will finally be replaced. And, the Public Safety Building—a 24 hour facility—will be getting much-needed updates. The City continues to support the Union Station Foundation's efforts to develop a long-term strategic plan to ensure that business and cultural activities at the Station will not only provide unique experiences for both residents and visitors, but also support the on-going operation of the building. With tremendous support from local state legislators, the City obtained \$100,000 in on-going funding from the State for the Utah Railroad Museum and the City will continue providing financial assistance to offset building maintenance and utility costs.

"Union Station is one of Ogden's crown jewels. I'm thrilled with continuing efforts to return Union Station to its former glory. The Station is such an integral part of Ogden's history, we simply must do everything we can to preserve it. A capital funding campaign will soon be underway. Ogden residents will have the opportunity to contribute to the cause and participate in making Union Station the hub of the 'Junction City' once again."

Council member Caitlin K. Gochnour

Union Station

Development of a business plan for Union Station—\$50,000—and surrounding properties will help provide a path toward future financial independence and sustainability.

Francom Public Safety Building

Capital Projects

More than \$14 Million will be invested in City Facilities and Infrastructure in FY2016.

Significant Changes from FY2014-2015 Budget

The General Fund Budget is increasing just one-half of one percent (.051%) over the previous year.

The budget includes Employee Compensation increases totaling \$1,589,975. This represents a 4% merit increase with 1% ongoing.

The Home Exterior Loan Program (HELP) is getting an additional \$200,000 to assist homeowners in making much-needed repairs.

The City is adding an additional \$10,000 to the Arts Grants Program with the intent of increasing the amount to \$100,000 in future years.

Success and growth at the Airport has brought an additional \$1M in grant funding from the FAA.

Sprinkler upgrades at the Cemetery and Mt. Ogden Golf Course will provide more efficient irrigation—critical to the City's water conservation efforts.

The City added a net of eighteen new full-time positions, fourteen of which were necessary due to health care reform.

Ogden Arts Festival—En Plein Air Entry

The Arts

Ogden has a vibrant arts community. Recognizing that many Ogden citizens work tirelessly to enrich the lives of others through art and culture, the City is refocusing efforts to provide more support to the arts community. The City is adding additional employees to manage new and ongoing City arts programs. Funding for grants is increasing to \$60,000 with a goal to add \$10,000 each year until there is at least \$100,000 available for qualifying arts organizations. The Arts Master Plan is being updated and every effort will be made to ensure that precious art funds are used strategically. The Ogden Arts Festival has a new home at the Municipal Gardens and Amphitheater and a new Twilight Concert Series is underway. These programs put the underutilized Amphitheater to great use.

Council member Amy L. Wicks

“Art—no matter what form--adds a richness and depth to our community. I am continually amazed not only at the number of creative and talented people we have in Ogden, but also their willingness to share their talents. Without their efforts, programs like the Acoustic Festival, the Arts Festival, Arts in the Park, Friday Art Stroll and many others simply could not happen. With all of these great events, no one can deny that Ogden has a happenin’ art scene!”

Water Treatment Plant

The City's new Water Treatment Plant operates state-of-the-art micro-membrane filtration technology. This technology will allow for year-round water production. New tanks were also installed to provide better pressure and storage for Ogden canyon residents.

Water Infrastructure

The Water Utility continues to increase its efficiency and level of service to the community. The new water treatment plant will generate treated water safely and cost-effectively. New canyon pipelines will save millions of gallons of water previously lost through leakage. The Utility continues to focus on replacing old and failing distribution lines. Staff from the Utility and Engineering make a concerted effort to combine road repairs with water and other utility work to make projects as cost effective as possible. Focus in the coming year will be on water conservation projects and education. New meters and transmitters will allow customers to access their water usage in real time, and the water conservation specialist is available to advise customers on ways they can conserve water and lower their monthly bills.

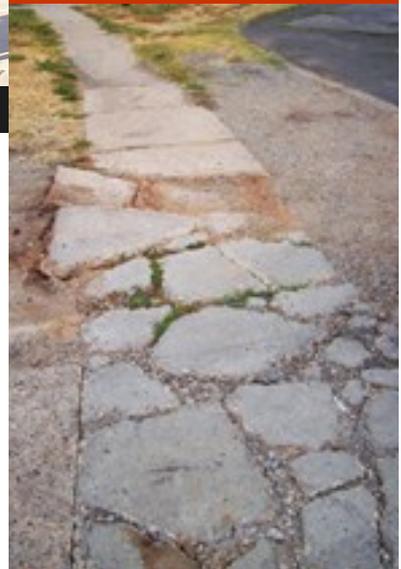

"Our water is a scarce and precious commodity. The Water Utility has made great strides in improving the state of our City's water infrastructure. Increased storage capacity, redundancy, and a new filter plant will work together to reduce the risk of water outages for our citizens. The planning and execution of the Water Master Plan has been impressive. Now our efforts need to shift to conservation and the education of our citizens." **Council member Doug Stephens**

Concrete Replacement Program

Ogden has a backlog of more than \$23 Million in sidewalk repairs. The City is working to replace the most critical sections of sidewalk. Multiple blocks are repaired at one time to reduce costs.

50/50 Sidewalk Repair Program

Homeowners can partner with the City to have sidewalks adjacent to their property repaired. The City will pay one-half of the cost. Homeowners can do the work if they can demonstrate they have the required skills. Or, the City will help the homeowner find a contractor to do the work. Low interest loans to cover the homeowner's portion of the costs are available through the City's HELP program .

Transportation

One of the greatest challenges the City faces is finding adequate funding for the City's ever increasing transportation needs. Ogden is not unique in this. Throughout the State of Utah and across the nation, leaders are struggling with how to repair and replace aging infrastructure. Ogden's expanding trails network requires additional maintenance and repair. Citizens would like expanded and improved bike and other active transportation routes. Unfortunately, the City's backlog of sidewalk, curb and gutter, and road repairs continues to grow. And yet the availability of federal and state transportation funds is shrinking. That's why Mayor Caldwell and the Council support the local option sales tax authorized by the State legislature. Additional sales tax revenues would provide much needed funding for these transportation projects.

"Our citizens deserve safe sidewalks, and well maintained trails and streets. This year we have increased our funding for sidewalk and road repairs in an effort to start addressing the most urgent needs. But, there is still much to do and we know we will have to get creative to find additional funds. The Council is committed to finding a solution to meet these ongoing needs and will be evaluating funding options during the upcoming year."

Council member Neil K. Garner

Council FY2016 Legislative Projects

- Complete City Re-branding Efforts
- Conduct a City-wide Citizen Survey
- Continue the College Town Initiative
- Develop a Diversity Charter
- Create an Open Space Program
- Develop a Predatory Towing Policy
- Consider Funding Options for a Scholarship Program
- Adopt Ordinance Governing Smoking in Public
- Complete the Recreation Master Plan
- Establish Sustainability Goals for the City
- Continue Development of a Transit System Plan
- Evaluate the City's Goals for Water Conservation

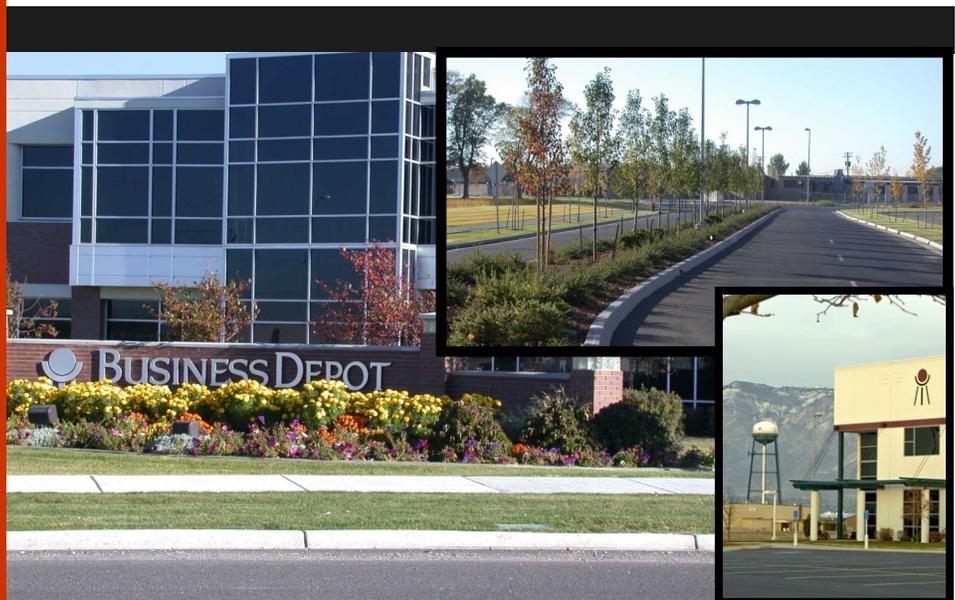

Business and Economic Development

"We have the best economic development team in the State! Other Cities are looking to Ogden for ideas and innovative strategies. They all envy the renaissance that has occurred here. Kudos to the CED Department for their fearlessness in thinking outside the box! Their extraordinary efforts continue to pay off for the City." **Council member Bart E. Blair**

The City's economic development continues to flourish. Lease revenues from Business Depot Ogden will fund capital projects throughout the City, including projects at Ogden Business Exchange located at the historic stockyards. Historic 25th Street was recently named one of the Top Ten Streets in the U.S. New businesses and restaurants are thriving. The Junction continues to be a major activity hub for the community.

The increase in commercial flights at the Ogden Airport is bringing opportunities for growth and expansion. The FAA will provide additional funding for maintenance of critical infrastructure. Support functions for Hill Air Force Base's F-35 program are flocking to the Airport and a new Airport Business Plan is in the works. These new airport functions have brought increased FAA oversight and security causing some growing pains. However, the City is working hard to find a balance in order to recognize the economic benefits that the Airport has the potential to deliver.

Quality Neighborhoods Initiative

Over the past ten years, the City has made great strides in revitalizing neighborhoods in the City's east central area. Dozens of new homes have been added, more than 100 historic homes have been reclaimed, and new moderate and low income apartments have been added. Despite these great successes, there is still much to do. The City plans to concentrate and accelerate its revitalization efforts in east central to multiply the positive impact on the community. The City is developing a long-term strategic plan to address sub-standard housing units and other blight throughout the area. Using a combination of federal, state, City, and private funding, the City plans to transform the most vulnerable neighborhoods into safe, secure communities where education, recreational activities, and community involvement can come together to raise the prospects for all Ogden citizens.

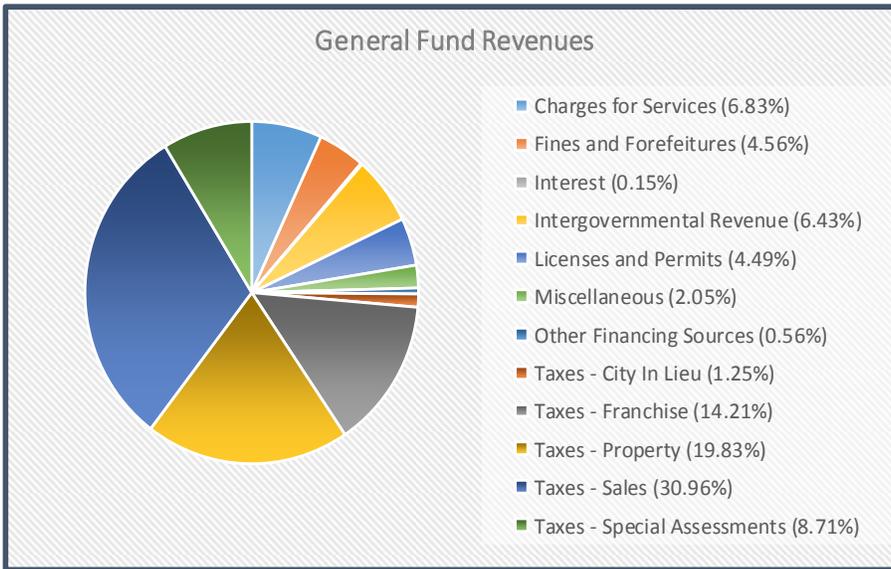

“Our City can only be as good as our neighborhoods. We want all of our citizens to have an opportunity to succeed. Education and employment opportunities are critical to success. But even more critical is having a safe and secure environment where our citizens--young and old--can learn, play, and build dreams for the future. That’s what we hope to do through the Quality Neighborhoods Initiative. By changing the physical environment, we can increase the potential for success, and in turn engage productive citizens who will prosper within our community and continue to ‘pay it forward’ for the future of Ogden.” **Vice Chair Marcia L. White**

Over the last decade the City has expended more than \$23 million dollars in federal and City funds to revitalize struggling, blighted neighborhoods in the City's east central area. The funds have been used to construct 35 new homes, rehabilitate 204 existing homes, provide down-payment assistance to 579 families and complete 14 unit reduction projects.

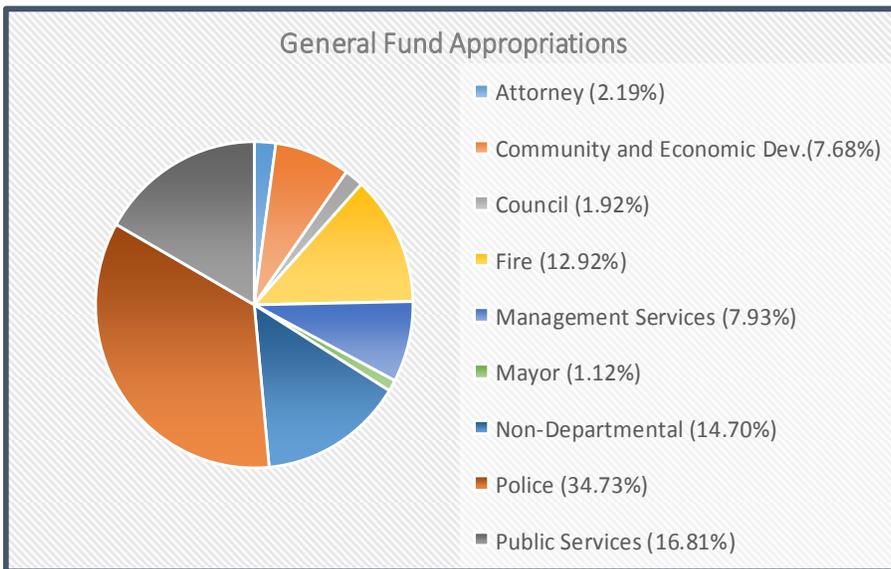

Conceptual Plans Only—No Specific Area

General Fund Revenues by Source

General Fund Appropriations by Department

Ogden City General Fund—\$54,258,450

FY2016 General Fund Budget At-a-Glance

The FY2016 General Fund budget totals \$54,258,450. The budget includes approved expenditures, modifications to City services and anticipated revenue amounts. The charts above show the percentages of general fund revenues by type and appropriations by department. Note that public safety costs—police and fire—make up almost 48% of the total General Fund Budget

More Budget Highlights

- \$54,000 for Union Station Utilities
- \$1 M for East Central Redevelopment
- \$150,000 for Lester Park
- \$123,675 for Grandview Park Restrooms
- \$350,000 for 10 New Police Vehicles
- \$975,000 for 6 new “Tweener”s (Snowplows)
- \$105,000 to Begin Replacement of Public Safety Radios
- \$350,000 for Replacement of the City’s ERP Financial System
- \$367,025 for Sidewalk Replacement
- \$10,000 for College Town Initiative
- \$4,000 for Rain Barrel Program

Budget Guidelines

Fiscal Year 2016 - Adopted June 16, 2015

Each year the City Council establishes Budget Guidelines to assist in the development, review and approval of the Annual Budget and future budget amendments. These guidelines provide direction and are policy of the City in these specific areas.

- 1. Arts.** The City Council supports the arts through grants. The Ogden Arts Advisory Committee receives and reviews written proposals, recommends the distribution of funds, and follows up on how these funds were used. Recipients of the grants are encouraged to have matching funds from other sources, e.g., Utah Arts Council.
- 2. Budget Development.** All ordinances, resolutions, fee studies, other studies, and supporting documentation will accompany the proposed budget for consideration during the budget process and subsequent amendments. The budget is submitted by the Mayor each year on the first Tuesday of May. The quantity of documentation, explanation and detail will be commensurate with the size, scope or complexity of each proposal.
- 3. Budget Transfers from Salaries and Benefits.** In keeping with the intent of the pay-for performance system, the Council desires that all salaries and benefits are spent for this purpose. Notice of all budget transfers from salaries and benefits shall be provided to the Council within 15 days of the actual transfer of funds. The notice is to include the dollar amount being transferred, where it is being transferred, and for what purpose.
- 4. Business Depot Ogden.** An annual report will be provided by February 15th which includes an overview of the Business Depot Ogden (BDO) projects, activities and overall direction. An addendum to the Capital Improvements Project Quarterly Report will be provided that reflects the activity of the funds budgeted for capital improvements at BDO. The proposed list of projects is to accompany the budget annually.
- 5. Capital Improvement Plan.** The Capital Improvement Plan (CIP) is to be submitted for Council review no later than November 1 of each year. The Mayor's priorities are to be submitted by November 1 as well. The Planning Commission's recommendations are to be provided to the Council within 45 days (December 15th) after the CIP is submitted to the Council. The Council expects to adopt the CIP by March 31 each year.
- 6. Sidewalk Replacement Program.** Repairs of existing sidewalk are a top priority. Recommendations for projects are to be submitted to the Council on an annual basis with the proposed budget.
- 7. Consolidated Plan and Annual Action Plan.** The consolidated plan will be reviewed and adopted every five years and the action plans annually. Specific annual action plan elements may be identified as requiring Council review and approval prior to the expenditure of funds. The Council recently concluded the review of the consolidated plan. The next plan will be developed in 2020.

Budget Guidelines

Fiscal Year 2016 - Adopted June 16, 2015

- 8. Business Information Center.** The Council supports the efforts of the Business Information Center (BIC) in encouraging entrepreneurial efforts. Reports will be provided with the annual budget regarding not only the BIC's efforts, but also the efforts of non-profit organizations providing financial assistance to small businesses in the City.
- 9. Cops in Schools.** The City Council supports the partnership with the Ogden School District with the Cops in School program. The designated officers will help teachers, parents, students, and the community as resource officers. The City has committed to funding a significant portion of these positions.
- 10. Council Notification.** All significant changes to City programs and services that impact City employees, citizens or businesses (e.g., new programs, changes in level of service to existing programs or services, City events, contracting out of City Services, reorganizations, layoffs, reductions in force, etc.) will be communicated to the Council via Council Leadership or the Council Executive Director at least ninety (90) days prior to implementation or amendment to allow for adequate time for the Council's review and public process.
- 11. Crime Reduction Initiative.** A report regarding the efforts of the Crime Reduction Unit is to be provided annually as part of the budget process.
- 12. Emergency Preparedness.** The Fire Department will provide the Council with updated information regarding the Emergency Preparedness Plan in October.
- 13. Enterprise and Special Revenue Funds.** Enterprise funds will operate without City financial contributions. Any enterprise fund that requires City financial contributions will be carefully reviewed and appropriate actions considered. Quarterly financial updates are to be provided to the Council on each enterprise and special revenue fund.
- 14. Fee Changes.** Proposed fee changes are to be adopted as part of the budget review process. The City Financial Principles related to fees are to be followed. The Council recognizes that some fees are impacted by the calendar year, by seasonal activity, or by the calendars or scheduling constraints of other government agencies or businesses. Certain fees may need to be amended during the fiscal year and cannot be amended with the annual budget process. Mid-year fee increase requests are due October 1 accompanied by sufficient rationale and justification. Fees to be implemented in January (excluding utilities) will be considered by the Council in December if all applicable information is received.

Utility Fees. The recommendations of the 2012 Utility Rate Study, also known as the Comprehensive Financial Sustainability Plan are to be followed. A review of the proposed changes included in the Utility Rate Study will be

Budget Guidelines

Fiscal Year 2016 - Adopted June 16, 2015

performed in a joint effort beginning in November each year. Fee changes that are submitted without a detailed analysis will not be considered by the Council.

Building Permit Fees. The City's building permit fees are to be evaluated on a biennial basis.

- 15. Fleet Business Plan.** The Fleet Division Business Plan will be reviewed annually. The updated Fleet business plan is to be provided at the beginning of the budget process each year.
- 16. Foundations.** Contracts with the various Foundations operating City facilities or receiving City funds will be monitored to ensure that management of the operations is consistent with the terms of the Agreement. The Council will meet with representatives of the Foundations annually to discuss short-term and long-term goals for the respective operations. The Foundations include Dinosaur Park, Union Station, Wildlife Rehabilitation Center, Ogden Pioneer Days and Get Out and Live (GOAL).
- 17. Grant Reporting and Monitoring.** Grants are evaluated annually including grants received, the amount and source of City match if applicable, grants applications requiring a City match, and the expected date of award. The Annual Grants Report is to be provided to the Council in January each year. A work session discussion will follow in February.
- 18. Policy Development.** The City Council will consider major policy issues during the

fiscal year rather than during the budgetary process. This allows time to explore the details of the policy recommendations and options, and estimate the impacts of the proposed decision(s).

- 19. RAMP Tax Projects.** All proposed Ogden City Projects to be submitted by application for RAMP funding are prioritized via resolution by the City Council in December of each year prior to submission in January. Early Council involvement in the City's process is important and provides the opportunity for input on potential RAMP projects. The Council will provide input to the Administration each year in August and prior to submission of the applications as appropriate.
- 20. Revenue Forecasts.** Revenue forecasts are to include the rationale and assumptions made for each of the significant revenue sources forecast in each proposed budget.
- 21. Recycling Education Program.** The effectiveness of the City's recycling education program will be reviewed annually. An annual report will be provided to the Council as part of the budget process detailing the program, information showing the impact of the program, and the use of the funds appropriated for this purpose.
- 22. Roadway Reconstruction Projects.** Roadway reconstruction projects that are B&C fund eligible are reviewed and approved annually. Recommendations for eligible projects are to be submitted to the Council with the proposed budget.

Budget Guidelines

Fiscal Year 2016 - Adopted June 16, 2015

23. Tourism and Marketing. Transient Room Tax (Hotel Tax). Tax revenues collected from the Transient Room Tax will be restricted to a special revenue fund known as "Tourism and Marketing Fund." Expenditures from the fund are limited to 'return to retained earnings' unless otherwise approved by the City Council. The Council will monitor the Ogden Weber Convention and Visitors Bureau contract to ensure compliance with the terms authorized by the Council. Pursuant to the Agreement, the CVB with 30% of the Transient Room Tax to promote Ogden City as a destination.

24. Utility Fee Indexing. The calendar 4th quarter consumer price index from United States Bureau of Labor Statistics – West Region will be used to determine annual

increases in utility rates. The measure to be used will be the percentage increase of the index for January in the year in which the budget is prepared over the index for January of the prior year or the most recent available. The Council must review and approve or deny the ordinance that increases the fees associated with this indexing.

25. Water Conservation Education Program. Pursuant to Joint Resolution 2012-3, educational or other programs designed to encourage the conservation and reasonable use of culinary water without waste will be pursued. An annual report will be provided to the Council as part of the budget process detailing such programs and the use of the funds appropriated for this purpose.

RDA Budget Guidelines

Fiscal Year 2016 - Adopted June 16, 2015

Reports. Quarterly, annual, and periodic reports are to be provided as defined by the Board. The reports shall cover the following:

- Periodic Reports
 - Information on Projects of specific interest to the Board
- Quarterly Reports
 - Major projects
 - Status and progress for all projects
- Annual Report
 - Accomplishments
 - Financial position of each Project Area (audited)
 - Budget to actual comparisons for each Project Area

Periodic Reports: The details of the periodic reports will depend on the complexity of the specific project. The details and reporting frequency will be determined by the Board with input from the Administration.

Quarterly Reports: The quarterly reports regarding the status and progress for all open

RDA projects are to include only information that update the Board regarding progress or challenges for the past quarter. The first time a project appears in the report, additional background information should be provided pertaining to the steps leading up to the establishment of the project.

Annual Report: The Annual Report shall cover information for the prior fiscal year and shall include audited financial information. The annual report shall be presented at the Annual Meeting held in January.

Financial Tracking of RDA Areas and Projects. The financial progress of each major RDA project within each RDA Area will be monitored. Summary reports will be submitted every April 1 and October 1. The Administration will provide information regarding all new projects as such projects are proposed. All reports should include the approved sources and proposed uses of funds to be expended (RDA and City).

Budget Goals

Fiscal Year 2016 - Adopted June 16, 2015

Budget goals are established annually by the City Council. Implementation of the adopted budget is contingent upon working toward or accomplishing these goals. For FY2016 it is the intent of the Council to accomplish the following budget goals.

- 1. Transit Project.** To determine the feasibility of running a transit system from the Intermodal Hub to Weber State University and McKay Dee Hospital as approved in Joint Resolution 2013-10.
- 2. Clean Air Initiative.** To continue "Idle Free Week" in January as part of the City's efforts to promote public awareness of the impacts of unnecessary vehicle emissions on air quality. Opportunities to expand the City's Clean Air Initiative will be considered throughout the year.
- 3. Fleet Management.** To support the Administration's ongoing efforts to improve the condition of the City's fleet. The Council encourages not only transitioning the fleet to more fuel efficient vehicles, but also exploring alternative fuel options and other methods for reducing vehicle emissions.
- 4. Curbside Green Waste Recycling.** To continue to explore the possibility of providing curbside green waste recycling services to citizens.
- 5. Youth Recreation.** To subsidize youth recreation programs in order to keep these programs affordable to Ogden's youth. All children should be encouraged to participate in youth sports and other recreational activities that promote a healthy lifestyle.
- 6. Walkability/Sidewalk Replacement Program.** To promote healthy lifestyles and safe, convenient access to recreation and services. The Council encourages citizens to take advantage of the 50/50 Sidewalk Replacement Program and will explore options for significantly increasing funding for the program to address issues with the City's aging concrete infrastructure.
- 7. Infrastructure.** To continue to address the infrastructure needs of the City through infrastructure master planning and funding to address general needs and ongoing maintenance. The Council will review City-wide master plans as they are completed or updated for sanitary sewer, storm sewer, transportation and streets, street lighting and landscaping and curb/gutter/sidewalk.
- 8. Recreation Master Plan.** To complete the City's recreation master plan to help improve, strengthen and enhance the City's broad range of recreation programs and facilities. This supports a countywide collaboration to develop a regional recreation master plan that identifies all available recreational resources and ways residents may benefit from them.
- 9. Bicycle Master Plan.** To complete the City's Bicycle Master Plan as a way to increase bicycle ridership in the City and to move the City toward becoming a multi-modal, bicycle-friendly community. The

Budget Goals

Fiscal Year 2016 - Adopted June 16, 2015

master plan is intended to set the stage for the development of city-wide bicycle infrastructure and to allow the City to work with its partners to ensure bicycle infrastructure is included when new roads and pathways are constructed or repaired.

10. Open Space Preservation. To establish policies for the preservation of open space and to explore options for identifying a funding source for the acquisition and protection of open space. The Council urges the Administration to build on the groundwork laid in FY2015 and continue the process of identifying potential open space properties with a goal of seeking funding for open space acquisition.

11. Grant Avenue Promenade. To support expansion and completion of the Grant Promenade CIP Project from the Ogden River to 25th Street. This project will provide a critical link from Historic 25th Street to the Ogden River.

12. Union Station: To support the Union Station Foundations' efforts to raise private funds to renovate Union Station and surrounding properties to create a world-class home for the Railroad, Browning, and Cowboy museums.

13. Visioning and Rebranding Efforts: To complete the rebranding efforts to create a unified City vision, logo, and website, etc., that reflects the goals, objectives and vision of the City.

14. Code Enforcement: To support the Administration's efforts to increase the efficiency and effectiveness of collections on code enforcement violations. The Administration is implementing improvements to billing and will provide a progress report to the Council during the budget process.

15. Percent for Arts Program. To adopt amendments to the Percent for Arts Program that refocuses the efforts of the Arts Capital Improvement Program. The amendments will align with the updated arts master plan and the ongoing efforts to increase Ogden's statewide, national, and international stature. A joint visioning process will also take place in conjunction with updates to the arts master plan.

16. Complete Streets Initiative. To develop an ordinance requiring the consideration of all modes of travel on City streets. The implementation of a complete streets policy provides safe access to publicly owned transportation corridors and allows all citizens to use the City's public space for their transportation needs.

RESOLUTION NO. 2015-13

RESOLUTION OF THE OGDEN CITY COUNCIL DETERMINING THE GENERAL CITY CERTIFIED TAX RATE FOR FISCAL YEAR 2015-2016.

IT IS HEREBY RESOLVED by the Council of Ogden City, pursuant to the provisions of Section 59-2-912 and 59-2-913, Utah Code Annotated 1952, as amended, and the FY 2015-2016 Ogden City Budget adopted thereunder, as follows:

- A. That the certified tax rate for the fiscal year 2015-2016 is hereby determined, and the said taxes are levied for general operation purposes at 0.002521, for debt service at 0.000699 for a total levy of 0.003220; and
- B. That the Comptroller of Ogden City be authorized and directed forthwith to certify the rate and levy of taxes for Ogden City purposes, as aforesaid, to the County Auditor of Weber County, Utah.

PASSED AND ADOPTED by the Council of Ogden City this 7th day of July, 2015.

RE: Proposed FY 2015-2016 Budget

Please accept for review and discussion the Mayor’s recommended FY 2015-2016 budget. This budget has been prepared through the cooperative efforts of City Administration, Department Directors, and Staff. It takes countless hours to collect, analyze, and prepare the information required for such a document and I am pleased with the results.

Mark Zandi of Moody’s Analytics recently gave a snapshot of the country’s economic outlook. He said that meager growth in the first quarter of 2015 should prove temporary. “To date,” he said, “the negatives of lower oil prices have trumped the positives. However,” Zandi adds optimistically, “if oil and gasoline prices roughly follow our outlook, consumers will soon behave more like recipients of a permanent tax cut and will step up their spending. By the second half of this year, the lower oil prices will be a clear and resounding plus for the economy.”

Locally, the City of Ogden is optimistic too about economic growth, but continues to struggle with unemployment, poverty, and limited revenue generating opportunities. While it takes time to overcome these types of challenges, we are making progress. This past year Ogden was ranked 3rd on Forbes list of *The Best Cities for Raising a Family*. Ogden City has gained additional national media attention recently including 2nd best city in the U.S. for volunteerism, 3rd year in a row on Forbes *20 Fastest Growing Cities*, included on Forbes list of *Best Places for Business and Careers*, Bronze designation as a Bicycling Friendly Community, and ranked by APA as one of the *10 Best Streets in America*.

The General Fund budget is projected to increase 0.51% to \$54,199,450 from the FY2015 Council adopted budget. Ogden City Corporation’s overall budget is projected to decrease 1.60% from \$183,310,725 to \$180,377,300.

Budget Comparison

	FY2015	FY2016		
	Council Adopted	Mayor/CAO Rec	\$ Change	% Change
General Fund	\$ 53,926,975	\$ 54,199,450	\$ 272,475	0.51%
Ogden City Corp Total	\$ 164,022,475	\$ 159,465,475	\$ (4,557,000)	-2.78%
Redevelopment Agency	\$ 18,743,500	\$ 20,367,025	\$ 1,623,525	8.66%
Building Authority	\$ 544,750	\$ 544,800	\$ 50	0.01%
Total Municipal Budget	\$ 183,310,725	\$ 180,377,300	\$ (2,933,425)	-1.60%

The Redevelopment Agency is projected to increase 8.66% to \$20,367,025. This increase is due to three additional tax increment areas: Trackline, East Washington, and South Wall. Additionally, increment in other areas continues to meet budget expectations. The projected budget for the Municipal Building Authority will increase by 0.01% to \$544,800.

BUDGET PRIORITIES

Employee Compensation

Our top priority of the fiscal year 2015-2016 budget is to fund compensation increases for City employees. We genuinely appreciate the important contributions employees make to the City. With that in mind, the proposed budget includes a 4% pay adjustment to be distributed based on merit. The budget also

includes increased medical benefit costs of 5%. No retirement rate increases were proposed by the Utah Retirement System this year.

Capital Improvements

Improving the infrastructure of any community is always a top priority, and Ogden City is no different. While there is never enough funding to complete every needed capital improvement project, the Administration has worked very hard to propose the most efficient use of capital improvement dollars. A few projects included for consideration are: quality neighborhoods, an irrigation system replacement at Mt. Ogden Golf Course, and additional funding for curb, gutter, and sidewalk replacement. A complete list of proposed projects is included in the budget document.

REVENUE

General Philosophy

Revenue growth is vital in an effort to maintain current service levels offered to our citizens now and in the future. Economic development and revenue growth starts with a plan and is a process that can take many years before the fruits of the effort can be seen, and sometimes even longer to have an effect on the funds available for general purposes. As in the past and going forward, it is our goal to invest one-time funds into projects that will provide long-term on-going revenue streams to the City with the shortest payback period possible.

	FY2015	FY2016		
	Council Adopted	Mayor/CAO Rec	\$ Change	% Change
Property Tax	\$ 8,429,175	\$ 8,150,000	\$ (279,175)	-3.31%
Sales Tax	\$ 14,909,475	\$ 15,693,225	\$ 783,750	5.26%
Franchise Tax/Muni Energy	\$ 7,197,450	\$ 7,585,000	\$ 387,550	5.38%
Telecommunication	\$ 1,350,000	\$ 1,200,000	\$ (150,000)	-11.11%
Licenses and Permits	\$ 2,173,500	\$ 2,434,500	\$ 261,000	12.01%
Court Fines and Forfeitures	\$ 2,000,000	\$ 1,800,000	\$ (200,000)	-10.00%
	\$ 36,059,600	\$ 36,862,725	\$ 803,125	2.23%

The City continues to advocate the viewpoint of requiring, where possible, users of city services to pay for those services. To that end, the revenue enhancements proposed in the FY 2015-2016 budget are focused on maintaining general tax rates and requiring users to pay the cost of services or disproportionate use of city services.

Taxes

City Administration recommends no increase to the Certified Tax Rate. This tax rate has not been increased by Ogden City for more than fifteen years. The budget does however project a decrease of approximately 3.31% property tax revenue based on property and personal property collections. While it is important to not over burden tax payers, it is also difficult to continue to provide City services, such as police and fire without additional property tax revenue.

The City is projecting a conservative 5.26% increase in sales tax growth. This rate of growth is based on previous year collections and an improving economic outlook.

Grant Revenue

Due to the volatility of grants, especially those received by the police department, very little miscellaneous grant funding was projected in the proposed budget. Any grant funding received during fiscal year 2015-2016 will be brought before the council through the budget opening process to be officially recognized.

EXPENDITURES

General Philosophy

In developing the FY 2015-2016 budget, the FY2015 budget was used as the foundation. The majority of proposed expense increases were directed to employee compensation and benefits. The City Revenue Committee continues to meet monthly and will recommend any changes based on ongoing revenue collection information.

Staffing Changes

There are 30 new, full-time positions proposed in the fiscal year 2015-2016 budget. Of those, 14 positions are to help the City comply with the new health care reform laws, which limit the number of hours a part-time employee may work. It is also being proposed to eliminate 12 full-time positions. This will result in a net increase of four full-time positions.

- The City plans to resume operations at the Marshal White Center in FY2016. Three of the new positions are proposed to staff the Marshal White Center.
- With the construction of a new filter plant, it was necessary for Water to eliminate three positions, however, four new positions in line with the needs at the new filter plant are being proposed.
- Building Services is being reorganized. During this process, four new positions are proposed, however, two other Building Services positions are proposed to be eliminated.
- The Police Department has proposed adding an Animal Services Officer and a Crime Analysts, while eliminating one Police Officer.
- It is proposed to add a City Treasurer, separate from the Comptroller.
- It is proposed to add a Digital Media Producer.
- It is proposed to add an Arts Coordinator.

Of the 12 positions being eliminated, six are discussed above and the remaining six positions being eliminated are in the Medical Services Fund. Weber County is taking over paramedic operations in the upper valley from Ogden City thus reducing revenue supporting these six positions.

Also proposed are 11 position reclassifications and four title changes. No positions were benchmarked this year. Benchmarking will be done for the next budget cycle.

Fee Increases

The FY2015-2016 budget includes a 1.3% CPI based fee adjustments for Water, Sanitary Sewer, Storm Sewer, and Refuse.

SUMMARY

This letter is intended to emphasize the notable highlights of the proposed fiscal year 2015-2016 budget. The budget document also includes a schedule that identifies significant changes from the previous fiscal year. It is our goal that all submitted budget materials will assist the City Council as they review, deliberate and make important budget-related decisions.

Please know this budget is a product of the diligent efforts of Ogden City employees and management team. I sincerely appreciate the services these individuals provide to the residents of our fine City.

The City administration and I look forward to working together with the Council and staff on this proposed budget.

Respectfully,

Mike Caldwell

**FISCAL YEAR 2015-2016
ADOPTED BUDGET**

SIGNIFICANT CHANGES IN OPERATIONS OR PERSONNEL

The discussion of items below is limited to those for which there is a proposed change in programs or processes. Any changes resulting from increased activity or level of performance are not commented on in this narrative.

GENERAL CITY

EMPLOYEE COMPENSATION & BENEFITS

Compensation

The fiscal year 2015-2016 budget includes a 4% wage increase for City employees, to be distributed based on merit. The total cost is \$1,589,975. Benchmarking of City wages and benefits against other Cities, will be completed on a biennial basis, therefore no positions were benchmarked for the fiscal year 2015-2016 budget.

Benefits

The retirement contribution rates, as determined by the Utah State Retirement System, did not increase for Ogden City in fiscal year 2015-2016. The City covers all additional retirement costs for employees, except as outlined by an agreement with the City's Fire Department. This agreement calls for payments into a separate retirement program for firefighters if the capped contribution rate, defined in the agreement, is less than the Utah State Retirement System contribution rate. In fiscal year 2015-2016, the State contribution rate is higher than the capped contribution rate for Tier I Firefighters, but still less for Tier II Firefighters.

The City's employee health insurance provider continues to be Select-Health, there are a variety of Select-Health insurance plans available to Ogden City employees. City paid insurance costs are expected to increase, overall by 5%. The cost increase on the Select Value Health Savings Account (HSA) Plan will be paid by the City. The cost increases on the more expensive plans will be paid by the employee through higher premiums collected through payroll deductions.

GENERAL FUND

REVENUE

Taxes

The City is not planning an increase to property taxes. Additionally, the property tax revenue in fiscal year 2014-2015 may not meet expectations. The City has decreased the property tax budget in fiscal year 2015-2016 by \$279,175.

Sales tax revenue is received through a local option tax of 1% on goods sold within the community. The tax is collected by the Utah State Tax Commission and distributed to local entities according to a formula. The current distribution formula allows for 50% of locally collected tax to be remitted to the entity in which it is collected and the other 50% is distributed based on population of the entity. The fiscal year 2015-2016 budget projects a 5.29% increase in sales tax revenue.

Municipal energy sales tax budget has increased significantly for fiscal 2015-2016, this increase is due to a correction between the municipal energy sales tax budget and the franchise tax budget. The expectation, when considering both of these revenue budgets together, is an increase of 5.4%. The Telecommunications tax is expected to decrease by 11.1%, this revenue source has declined every year, for the past several years.

The allocations to Municipal Operations and the Enterprise Administrative Share under Charges for Services are projected to increase 0.6% and 0.5%, respectively. The increase is based on a CPI adjustments to actual revenue in the enterprise funds these charges are allocated to.

Licenses and Permits

Business license revenue is expected to increase by 5.9%. Building Permit collections are expected to increase by 20.4% due to stronger economic conditions and increased development activity in the City. Other license fees are not expected to change significantly.

Intergovernmental

This revenue category includes Class B & C Road funds from the State of Utah, various public safety grants and programs as well as county provided service revenue. Class B & C Road funds are anticipated to increase by 11.5% due to an increase in State gas tax that goes into effect on January 1, 2016. Revenue from the school district is expected to increase by 8.2%, this is based on a contract to provide school resource officers.

Charges for Services

Major adjustments within administrative related charges include an increase to new development and development review fees of \$35,000 and \$10,000, respectively. Other budget changes within this revenue category are minor and reflect updates based on actual collection history.

Parks and recreation charges for services revenue budgets have been adjusted to reflect expected collections. The adjustments collectively total a \$6,375 increase. This includes the addition of amphitheater revenue in the amount of \$20,375 due to the City taking over operation of the amphitheater. This also included the decrease to the Marshal White Center revenue in the amount of \$30,000, this relates to operational changes being made at that facility.

An operation charge for services revenue budget of \$59,625 has been added in fiscal year 2015-2016, this is related to charges to UCAN for radio rack rental at the City tower.

The miscellaneous charges for services revenue budget decreased by \$1,231,600 due to a change in the accounting method for reimbursement to the General Fund for services provided to the water, sewer and refuse utilities. These revenues have been reclassified as expense reimbursements to the General Fund instead of revenue to the General Fund.

Court Fines and Forfeitures

This particular budget is decreasing by \$250,000 due to an analysis of the collection history and realistic revenue projections.

Parking citation revenue and civil citation revenue are expected to decrease by \$25,000 and \$25,000, respectively. These changes are being made to align the budget with actual revenue received in prior years.

Miscellaneous Revenue

Interest income is expected to increase by \$30,000, due to better interest rates on City investments. Cell tower revenue is expected to decrease by \$25,000 based on current agreements.

Administrative Revenue from the RDA is increasing by \$100,000 based on estimates of increment available for this purpose in fiscal year 2015-2016. Increment available for this purpose will need to be reduced in future years and will be evaluated annually.

The detention basin maintenance revenue budget decreased by \$116,000 due to a change in accounting method for reimbursement to the General Fund for services provided the storm sewer utility. This revenue has been reclassified as expense reimbursements to the General Fund instead of revenue to the General Fund.

A credit card rebate budget of \$50,000 is being included in the fiscal year 2015-2016. The City has worked with vendors to pay invoices using a credit card. The amount of credit card purchases determines the amount of rebate.

Transfers from the CIP fund increased by \$47,000. This transfer combined with an encumbrance reserve carry forward of \$7,000 will fund \$54,000 in ongoing Union Station utilities.

Transfers from other funds budget increased by \$271,375. This transfer is one time for the following items:

- Union Station site plan of \$50,000 in Non-Departmental.
- Upgrades at a City owned building to be used as an emergency shelter of \$20,000 in Fire.
- Vehicular bridge study of \$101,025 in Engineering.
- Radio replacement fund of \$95,000 in Police for UCAN compliant radios.
- General recreation maintenance of \$35,350 in Public Services.

EXPENDITURES

General Expenditure Information

The 4% merit for compensation funding are included in each department budget.

Insurance cost changes have been included in compensation and benefit accounts.

Mayor

The net change of the Mayor's fiscal year 2015-2016 budget is an increase of \$73,900. This difference is due to the compensation adjustments mentioned above and additional funding for a part time diversity specialist in the Mayor's office.

City Council

The net change of the Council's fiscal year 2015-2016 budget is an increase of \$30,475. This increase is related to compensation adjustments, offset by a decrease in planning and study funding.

Management Services

The net change of the Management Services fiscal year 2015-2016 budget is an increase of \$192,150.

This increase is due to the net of the following budget adjustments:

- Compensation adjustments mentioned above, netted with changes related to type of insurance coverage employees elect and some savings realized from employee turnover.
- Part time wages of \$77,875 are being used to help fund a new full-time position, digital media producer. The net increase to budget for this position is \$20,000 for wages and benefits.
- A proposed position, fiscal operations manager/City treasurer, results in an increase in wage and benefit budgets of \$96,650.
- A reduction in part-time wages of \$31,550 for a collector position being transferred to the code enforcement budget.

City Attorney

The net change of the City Attorney fiscal year 2015-2016 budget is an increase of \$60,600, due to compensation adjustments.

Non-Departmental

The net change of the City Non-Departmental budget, which is comprised of general City expenditures not reflected in other General Fund budgets, is a decrease of \$189,400.

Specific adjustments include:

- An increase in the amount of the transfer to the Airport of \$320,000 and a decrease in the amount of the transfer to the Golf Funds \$135,000, which are representative of the agreement to cover anticipated current year deficits as well as any cash shortages from the two years prior. These two amounts will fluctuate yearly depending on prior operating and cash situations.
- A decrease in transfers to the Road Funds of \$200,000, to assist in use of B & C Road funds for CIP projects.
- A transfer budget of \$10,000 is included to IT for cloud storage.
- A budget of \$104,875 is included for UCAN fees to pay for public safety radio service.
- The payments to the Risk Management fund decreased by a net amount of \$467,450. The Risk Management fund has stabilized in recent years, allowing the General Fund to benefit by \$471,625. Additionally, an increase of \$4,175 is included, to cover additional compensation costs in the Risk Management fund.
- Payments to Facilities and IT for general City support increased a total of \$54,075, to cover additional compensation costs in the internal service funds.
- Payments to the MBA and the budget for debt service payments have decreased by a net of \$9,450 based on the fiscal year 2015-2016 debt payment schedule.
- A contribution to YMCA decreased by \$10,000. This was a onetime contribution added in fiscal year 2014-2015.
- The elections budget increased \$57,500 based on costs estimates to hold City elections during fiscal year 2015-2016.
- A Union Station budget was added, in the amount of \$50,000. This budget is for a Union Station site plan.
- In addition to the Union Station site plan, there was also a budget of \$54,000 approved for Union Station utilities to help cover operating costs as they get ready to launch a capital campaign.
- The College Town initiative to encourage the City and Weber State University to work in cooperation was funded in the amount of \$10,000.
- The Arts Program Support to fund art grants to various organizations and artists throughout the community was increased to \$60,000.
- The return to fund balance budget decreased by \$22,950, revenue in excess of budgeted expenditures is not expected in fiscal year 2015-2016.

Police

The net change of the Police Department budget for fiscal year 2015-2016 is an increase of \$293,300.

This increase is related the net amount of the following budget adjustments:

- The compensation adjustments mentioned above.
- Part-time wages of \$26,525 are being used to help fund a new full-time animal services officer. The net increase to budget for this position is \$27,550 in wage and benefits.
- A police position is eliminated and a crime analyst is added, this change in staffing has no impact on the budget.
- The police supplies budget increased a net total of \$50,000. This increase is a result of:
 - o Funding for replacement radios compliant with the UCAN system in the amount of \$95,000.
 - o A decrease to small tools and equipment of \$45,000, a onetime funding in fiscal year 2014-2015 to purchase a portable camera.
- The police charges for services budget in the uniform division, decreased \$15,000, due to a change in accounting method for reimbursements to the Police Department for police service at the Ogden City Airport. The police provide security at the Airport during commercial flight arrival and departure times, as required by the TSA and bill the cost of police man hours to the Airport Fund. The accounting treatment is being changed to represent this as a reclassification of costs between the General Fund and the Airport.
- The budget for other operating expenditures increased a total of \$8,300. The majority of this change is to cover increases in fleet vehicle lease and communication equipment lease costs in the amounts of \$6,100 and \$1,825, respectively.

Fire

The net change of the Fire Department budget for fiscal year 2015-2016 is an increase of \$150.

This increase is due to the net of the following specific budgets:

- The compensation adjustments mentioned above.
- A new division was added to account for emergency management costs separately.
- An emergency management training budget is included in the amount of \$5,000. The intent is to send three City employees to Emmitsburg, Maryland annually for emergency management training.
- Other operating expenses budget is being decrease by a net total of \$7,050. The majority of this change is the decrease to the emergency management equipment budget of \$10,000, which was added for fiscal year 2014-2015. Additionally, the fleet vehicle lease and communication equipment lease budgets increased in the amounts of \$2,500 and \$150, respectively.
- The emergency management capital budget increased by \$20,000 to fund upgrades to a City owned building so it may be used as an emergency shelter.

Community & Economic Development (CED)

The net change of the CED budget for fiscal year 2015-2016 is an increase of \$321,125.

This increase is due to:

- The compensation adjustments mentioned above.
- The downtown special assessment transfer from CED's general fund budget to the Downtown Special Assessment Fund decreased by \$39,875 due to a restructuring of contracts for the downtown promotion events.
- The Building Services division is proposing restructuring operations through:
 - o Eliminating the development services supervisor and a development services technician position.

- Adding two plan review/code inspector positions, a code services office and a full-time code service collector.
- Part-time wages of \$31,550 moved from the Management Services Department to CED for a collector position are being used to offset the costs of a new full-time collector for code service. The eliminations and additions of positions results in a net budget increase to Building Services of \$19,150.
- Contract maintenance for Building Services increased by \$9,000 to cover annual software costs, however other line items decreased, impact to the budget is neutral.
- The CED fleet vehicle lease budget increased a total of \$12,100, to cover the cost of 2 additional vehicles in Building Services due to increased staff.
- The arts budget increased \$25,450, mostly due to the increase in wages and benefits for the addition of the full-time arts coordinator.
- A budget is included for amphitheater activities of \$148,300, partially funded by the decrease in payments in public service to have a contractor run the amphitheater.

Public Services

The net change of the Public Services budget for fiscal year 2015-2016 is a decrease of \$450,825.

This decrease is due to the net of the following specific changes:

- The compensation adjustments mentioned above.
- Overhead costs to stores went up in the amount of \$3,325 to cover wage and benefit increases to the internal service funds. The overhead costs at the store are allocated to City departments, based on use.
- An amphitheater budget in the amount of \$7,500 has been added for costs associated with operation of the amphitheater repairs and maintenance. This budget was added, due to savings from the payment to contractor expense the City was paying to have an outside agency operate the amphitheater.
- Temporary employee budgets were decreased by \$55,600 as 5 maintenance technicians are being proposed. Part time funding is being used help cover the increased wage and benefit costs for these positions, the net increase is \$212,475.
- A parks services reimbursement account was included this year in the amount of \$116,000. This line item is a contra expenditure account to reclassify the detention basin maintenance revenue paid to the General Fund by the Storm Sewer Fund as an expense reimbursements to the General Fund instead of revenue to the General Fund.
- Recreation general maintenance increase by \$35,350 due to an allocation from BDO lease revenue for general maintenance and repair needed at City facilities.
- The temporary employee budget in recreation programs of \$11,000 was reclassified to professional and technical. This is related to umpires for recreation events that are being paid as contract employees.
- A budget for the Marshal White Center is included for Ogden City to assume the operation at that facility. As a result, 3 full-time positions are proposed for Marshal White. The total budget for Marshal White is an increase of \$102,875.
- The professional and technical budget in Christmas Village decreased by \$120,000, this is where the contract for the amphitheater was budgeted. This funding was used to help cover the other budget increases in CED and public services related to the amphitheater.
- A budget is included for street services reimbursements in the amount of \$295,025. This is a contra expenditure account to reclassify the hauling services revenue paid to the General Fund by the Water, Storm Sewer and Sanitary Sewer Funds as an expense reimbursements to the General Fund instead of revenue to the General Fund.

- Special supplies increased \$250,000 due to additional B&C revenue expected. This is the account asphalt is purchased through for street maintenance.
- An engineering services reimbursement account is included in the amount of \$936,375. This is a contra expenditure account to reclassify the engineering services revenue paid to the General Fund by the Water, Storm Sewer and Sanitary Sewer Funds as an expense reimbursements to the General Fund instead of revenue to the General Fund.
- Engineering professional and technical budget for B&C road funds was increased by \$200,000 in fiscal year 2015-2016, due to the decrease in the transfer to the CIP projects of B&C funds.
- Special Supplies – Projects budget was not budgeted and the \$10,000 was moved to a new line item called Make A Difference Day under Public Services Administrative accounts.

SPECIAL ASSESSMENT FUNDS

REVENUE

The hotel tax includes an increase to the budget of \$10,000, increasing the total expected collections to \$110,000.

Interest income is expected to increase by \$10,000 due to more favorable interest rates on City investments.

The use of fund balance decreased by \$20,000, as a result of the increased revenue expectations in interest income and hotel taxes.

The Downtown Ogden Assessment revenue is budgeted neutral at \$112,000, which is contingent on the City Council continuing to approve this tax levy in the downtown area.

Transfers to this fund from the General Fund decreased by \$39,875. This reduction in General Fund support is a result of a restructuring contracts related to downtown promotion events that are paid for out of the Special Assessment fund.

EXPENDITURES

The expenditure of special assessment funds is for development costs that were fronted by the City through bonding. The debt has been paid off and the revenue now goes to reduce the City's expenditures in the districts.

The allocation of Hotel Tax revenue is to fund community promotion programs. The majority of this appropriation is on a contract basis with extended community program groups. Present allocations are \$30,000 for the GOAL Foundation, \$39,000 for the CVB and \$70,000 for the Tourist Transportation Program. The estimate to the CVB as a 30% distribution of TRT collected, under the budgeted amount would be \$33,000.

The payment to contractor budget decreased \$69,875. The reduction is a result of a restructuring contracts paid for in the Special Assessment fund related to downtown promotion events. A budget was included in the amount of \$30,000 the majority of which is to provide for flowers in the downtown area.

CAPITAL IMPROVEMENTS FUND

REVENUE

Intergovernmental revenue decreased by \$5,845,175, this includes the following budget items. The City has been notified of the receipt of RAMP (Restaurants, Arts, Museum, Parks) grants in the amount of \$103,675 for restrooms at Grandview, a decrease from fiscal year 2014-2015 of \$201,175. The remaining decrease is a result of onetime funding received by the City in fiscal year 2014-2015 in the amount of \$5,644,000 for specific projects.

Interfund transfers includes a decrease of \$3,700,025. A reduction of \$2,636,100 was one time funding from the Medical Services Fund for Fire Station #3. The Class B&C Road Funds transfer decreased by \$200,000. Included in the transfer of \$1,390,025 is funding for the Trackline development infrastructure of \$250,000, curb, gutter and sidewalk replacement of \$367,025, street construction funding of \$167,200, facilities improvements of \$232,500, parking lot improvements of \$151,500, community plan funding at Lester Park of \$151,500, parkway asphalt repair of \$30,300, ball park infield funding of \$20,000 and a RAMP grant match of \$20,000 for Grandview restrooms.

A transfer from the Nicholas Trust of \$1,500 represents interest earnings on the Gomer Nicholas trust and will be used to be used for park improvements.

EXPENDITURES

A RAMP funded project is included in the amount of \$103,675 from RAMP and \$20,000 from City funding for restrooms at Grandview.

Additional projects funded or partially funded with BDO and B & C Road funds include a Trackline development infrastructure of \$250,000, curb, gutter and sidewalk replacement of \$367,025, street construction funding of \$377,200, facilities improvements of \$232,500, parking lot improvements of \$151,500, community plan funding at Lester Park of \$151,500, parkway asphalt repair of \$30,300 and ball park infield funding of \$20,000. Park improvement funding is included from the Gomer Nicholas Trust of \$1,500.

ENTERPRISE FUNDS

All Utility Funds include wage and benefit adjustments.

WATER UTILITY FUND

REVENUE

Revenue from Operations

The anticipated revenue from water operations is increased by a 1.3% CPI increase, as outlined by the rate study. The 1.3% CPI is applied to the yearend revenue estimates for fiscal year 2014-2015.

Other Revenue

There is a planned use of retained earnings of \$5,408,500 for fiscal year 2015-2016 for improvements to the water system, which is an increase of \$605,000.

Bond Proceeds

There are no projected proceeds from bonds included in the fiscal year 2015-2016 budget.

EXPENDITURES

The net change of the Water Utility Fund for the fiscal year 2015-2016 budget an increase of \$224,950.

The Water Division made insignificant changes to various accounts to better match their operations. Budgets for Overhead and In Lieu of Taxes have increased relative to anticipated operational revenue. Depreciation was also increased accordingly.

Major changes in the Water fund include the following:

- A decrease to Weber Basin water purchases of \$73,800 and an increase to water purchases expense of \$23,525 to better align these budgets to expected payments.
- The construction of the new filter plant requires restructuring of filter plant staffing. A different skill set is necessary for the new filter plant and the Water fund is proposing the elimination of the current filter plant supervisor and two operator positions, to be replaced by a supervisor and two tradesman position. Additionally a backflow technician position at the filter plant is proposed.
- The Chemical budget for the filter plant has a proposed increase of \$50,000 related to the operating needs of the new filter plant.
- The Distribution System line item increased \$605,000 based on the CIP projects proposed in the rate study for fiscal year 2015-2016.

SANITARY SEWER UTILITY FUND

During fiscal year 2014-2015, the storm and sanitary sewer fund was split into two separate funds. The entire budget for the storm sewer fund has been moved to a separate fund. The storm and sanitary sewer fund is now the sanitary sewer fund and includes a budget decrease from the fiscal year 2014-2015 Council adopted budget of \$4,473,600. The decrease is related to the storm sewer revenues and expenses being accounted for in a separate fund.

REVENUE

Revenue from Operations

The anticipated revenue from sanitary sewer operations is increased by a 1.3% CPI increase, as outlined by the rate study. The 1.3% CPI is applied to the yearend revenue estimates for fiscal year 2014-2015.

EXPENDITURES

Temporary employee budgets were decreased by \$15,000 as 2 maintenance technicians are being proposed. Part time funding is being used help cover the increased wage and benefit costs in the net amount of \$92,230.

Budgets for Overhead and In Lieu of Taxes increased relative to anticipated operational revenue. Contract maintenance increased slightly and sewer district charges increased in the amount of \$14,275.

Accounting charges and meter reading charges increased by \$22,375 to tie the amounts to the rate study. The sewer district charges are expected to increase by \$75,550.

The Sanitary Sewer System improvements line item increased by \$151,575 for CIP and return to retained earnings indicates revenue above operating costs to be accumulated for future system improvement needs. Debt service payments were budgeted according to the Sanitary Sewer current year debt service payments.

There are no loans to other funds.

REFUSE FUND

REVENUE

Revenue from Operations

The anticipated revenue from refuse operations is increased by a 1.3% CPI increase.

Other Revenue

There is a planned use of retained earnings of \$162,725 for fiscal year 2015-2016 to balance revenues against expenditures.

EXPENDITURES

The net change of the Refuse Utility Fund for the fiscal year 2015-2016 budget is an increase of \$231,875.

Temporary employee budgets were decreased by \$49,475 as 3 maintenance technicians and 2 equipment operator positions are being proposed. Part time funding is being used help cover the increased wage and benefit costs for a net increase of \$224,300.

The budgets for Overhead and In Lieu of Taxes have increased relative to anticipated operational revenue in the amount of \$7,250. Accounting charges increased by \$2,925 to tie the amounts to the rate study.

The return to Retained Earnings is the budgeted method of indicating profit from operations. Debt service payments were budgeted according to the Refuse Utility current year debt service payments.

HINCKLEY AIRPORT FUND

REVENUE

Grant Revenue

Grant revenue has been adjusted to reflect anticipated grant receipts. The Airport now qualifies for a higher level of grant funding for maintenance. Any additional adjustments will be made throughout the fiscal year through the budget opening process.

Operations Revenue

Operation revenue line items have been adjusted to reflect expectations for fiscal year 2015-2016, based on new management recommendations and historical data. A new line item has been budgeted for parking revenue, in the amount of \$15,000.

Other Revenue

The use of Retained Earnings and Contribution from the General Fund for Operations accounts represent the agreement to fund current and past negative cash balances. These line items have been adjusted to amounts expected for fiscal year 2015-2016.

EXPENDITURES

The net change of the Airport Fund for the fiscal year 2015-2016 budget is an increase of \$767,750.

The Airport accounts were adjusted based on actuals for prior years and necessary operational maintenance and security upgrades. An increase to the building and maintenance budget 20,000 was included. A decrease of \$200,000 for depreciation based on their fixed assets.

The capital improvement budget was adjusted to reflect planned for projects. The \$1,000,000 in funding for maintenance was included and the State portion of CIP was decreased as no grants are currently planned for in fiscal year 2015-2016 that qualify for this share.

These increases to Airport were offset by an increased contribution from General Fund in FY15.

GOLF COURSES FUND

REVENUE

Operations Revenue

Operational revenue is expected to remain neutral in fiscal year 2015-2016, no adjustments were necessary.

Other Revenue

The use of Retained Earnings and Contribution from the General Fund for Operations accounts represent the agreement to fund current and past negative cash balances. It is expected that no contribution from the General Fund will be needed and has been removed from the fiscal year 2015-2016 in the amount of \$135,000.

A transfer from other funds has been included in the amount of \$202,000, to provide funding for irrigation system improvements at Mt Ogden.

The RAMP grant funding received by the Golf Course fund in fiscal year 2014-2015 has been taken out of the budget in the amount of \$83,300. This was onetime funding from the Municipal RAMP grant to fund restrooms at El Monte.

EXPENDITURES

The net change of the Golf Courses Fund for the fiscal year 2015-2016 budget is a decrease of \$98,650.

The majority of this decrease relates to onetime funding in fiscal year 2014-2015 in the amount of \$83,300 for a municipal RAMP grant, for new restrooms at El Monte. Water tax increased have required a budget increase for this line item in the Golf Course Fund for fiscal year 2015-2016 in the amount of \$6,875. The ground improvements line item budget is set at \$207,000 and is intended for improvements to the Mt. Ogden irrigation system. Golf association expense increased by \$3,000 and depreciation decreased by \$11,000 based on their fixed assets.

RECREATION ENTERPRISE FUND

REVENUE

Operations Revenue

Operational revenue is expected to remain neutral in fiscal year 2015-2016, no adjustments were needed.

Other Financing Sources

This fund has a use of retained earnings to balance revenue with expenditures. There is sufficient Retained Earnings to cover this budgeted allocation. Generally the fund operates positively so that even in years when there is a budgeted use of Retained Earnings it is usually not needed.

EXPENDITURES

The net change of the Recreation Enterprise Fund for the fiscal year 2015-2016 budget is an increase of \$975.

The temporary employee budget of \$15,000 was reclassified to professional and technical. This is related to umpires for recreation events that are being paid as contract employees. Other Recreation accounts were adjusted based on actuals for prior years and necessary operational needs.

BDO REUSE FUND

REVENUE

Operations Revenue

The cost reimbursement budget includes a decrease of \$90,000, this represents lower expenses in this fund. Accounted for in this revenue line are certain expenses in the BDO fund are paid and then billed to a third part for reimbursement to the BDO fund.

Other Financing Sources

The construction transfer from RDA will increase by \$420,000 due to continued development in the BDO RDA.

The use of retained earnings increased a total of \$3,566,500 to demonstrate the appropriations in this fund have been collected in prior activity. Any current income not being appropriated in fiscal year 2015-2016 will be shown as a return to fund balance.

EXPENDITURES

The net change of the BDO Fund for the fiscal year 2015-2016 budget is an increase of \$3,896,050.

BDO contract maintenance is being decreased by \$100,000 due to lower contracted costs in that area. Capital improvement projects budget was increased by \$2,015,825 to recognize the activity for infrastructure improvements at the BDO.

The entire funding available from prior years is appropriated to the RDA, General Fund for non-capital projects or to the CIP Fund for capital projects. Adjustments in transfers to other funds reflect proposed CIP projects.

The Return to Retained Earnings budget represents the anticipated Lease Revenue less any operating expenses retained for allocation in future years. This budget also includes \$1,000,000 that is anticipated to be allocated at a later time related to economic development in the RDA.

STORM SEWER UTILITY FUND

During fiscal year 2014-2015, the Storm and Sanitary Sewer Fund was split into two separate funds. The entire budget for the Storm Sewer Fund has been moved to a separate fund. The Storm Sewer Fund is being budget for the first time in fiscal year 2014-2015 at \$7,189,600.

REVENUE

Operations Revenue

The anticipated revenue from storm sewer fees is increased by a 1.3% CPI increase.

Other Financing Sources

There is a planned use of retained earnings of \$2,549,950 for fiscal year 2015-2016 for improvements to the storm sewer system.

EXPENDITURES

Storm Sewer

The budgets for Overhead and In Lieu of Taxes increased relative to anticipated operational revenue.

The Storm Sewer System improvements line item is budgeted at \$2,580,250 for CIP proposed in the rate study during fiscal year 2015-2016. Return to retained earnings indicates revenue above operating costs to be accumulated for future system improvement needs. Debt service payments were budgeted according to the Sanitary Sewer current year debt service payments.

MEDICAL FUND

REVENUE

Operations Revenue

Ambulance revenue and the commercial discount line items have been adjusted to reflect expectations for fiscal year 2015-2016, based on management recommendations. The adjustments represent an expected increase to ambulances services revenue of \$1,033,050.

Intergovernmental

The wildland medical program has not started and the budget for revenues from that program have been removed in the amount of \$102,250.

Paramedic funding from the County shows a decrease of \$332,950. The County is taking over paramedic service in areas that have been contracted for with the City. The decrease in revenue will be offset by a decrease in operating costs.

Other Financing Sources

This line item has been eliminated, it was budgeted in fiscal year 2014-2015 to appropriate money for a transfer to the CIP fund for Fire Station #3 in the amount of \$2,636,100.

EXPENDITURES

The net change of the Medical Services Enterprise Fund for the fiscal year 2015-2016 budget is a decrease of \$2,473,450, mostly due the elimination of a transfer to the CIP fund of \$2,636,100 for Fire Station #3.

The County is taking over paramedic service in areas that have been contracted for with the City. As a result the Medical Services will need to eliminate 3 paramedic and 3 captain positions since the staffing level will need to decrease.

A budget was included for travel and education in the amount of \$40,900 for fire academy training. Additionally a Medicaid assessment budget was included in the amount of \$190,000. The Medicaid assessment is a fee that charged for participation in a Medicaid program. Ambulance revenue is expected to increase by more than the fee, in order to cover the cost. Depreciation costs are expected to increase by \$34,000 based on their fixed assets.

The wildland medical program has not started and the budget for expenditures for that program have been removed in the amount of \$102,250. This budget will be proposed in the future, if it is determined that the program will be started.

There is an anticipated operating income again this year and that is budgeted to be returned to retained earnings.

INTERNAL SERVICE FUNDS

All Internal Service Funds include wage and benefit adjustments.

FACILITIES/FLEET/STORES FUND

REVENUE

Ongoing revenue accounts have been adjusted to reflect collections as associated with expenses for each area. Increased revenue expected in facilities overhead, stores overhead and electronic services represent the increase in wages and compensation in the amount of \$26,900.

There is a reduction of \$182,275 representing a reduction in use of fund balance. The transfer from other funds increased to \$150,000, this amount would be transferred from BDO to facilities operations.

EXPENDITURES

The net change of the Fleet/Facilities/ Stores Fund for the fiscal year 2015-2016 budget is a decrease of \$60,950.

Fleet/Facilities Operations

As an internal services fund the expenditures are representative of the services provided.

Debt service payments in fleet have been adjusted to reflect the current year lease payments.

INFORMATION TECHNOLOGY FUND

REVENUE

Increased revenue expected in data processing and communication services represent the increase in wages and compensation in the amount of \$48,425. Cloud storage revenue was added in the amount of \$10,000.

A transfer from other funds budget of \$492,500 is included, this is a transfer in from the BDO.

EXPENDITURES

The net change of the Information Technology Fund for the fiscal year 2015-2016 budget is an increase of \$520,950.

The temporary employee budget in GIS includes a budget of \$25,000 to have an additional part time employee to provide GIS services in the City. The budgets for travel, education, contract maintenance and cloud storage were all increased for fiscal year 2015-2016 in the amount of \$71,000. Depreciation costs are expected to decrease by \$30,000 based on their fixed assets.

A budget of \$350,000 is included for the ERP replacement in anticipation of selecting a new system during fiscal year 2015-2016. A budget of \$142,500 is included for special equipment for network and communication improvements.

RISK MANAGEMENT FUND

REVENUE

Revenue from Operations

Revenue in the Risk Management fund decreased by a net amount of \$467,450. The Risk Management fund has stabilized in recent years, as a result the General Fund decreased the payment to Risk Management by \$471,625. Additionally, an increase of \$4,175 is included as occupational health revenue, to cover additional compensation costs in the Risk Management fund.

EXPENDITURES

The net change of the Risk Management Fund for the fiscal year 2015-2016 budget is a decrease of \$467,875, reflected as a decrease in return to retained earnings. Any return to retained earnings is set aside as fund balance and is a reserve to be used in case claims increase.

TRUST FUNDS

REVENUE

Gomer-Nicolas Non-Expendable Trust

Interest income is anticipated to increase slightly from fiscal year 2014-2015. This amount will be transferred to the CIP fund for use on park improvements.

Cemetery Perpetual Care

A use of retained earnings is planned in fiscal year 2015-2016 to fund sprinkler system and curb and gutter repairs and improvement at the Cemetery.

MISCELLANEOUS GRANTS FUND

Revenue in General

Due to the volatility of grants, no miscellaneous grant funding was projected. Any grant funding received during fiscal year 2015-2016 will be brought to the Council through the budget opening process.

MAJOR GRANTS FUND

Revenue

This fund is primarily activity associated with Federal programs. The detail of this budget is in line with the Annual Action Plan presented and adopted as a separate Council action. The general reduction

changes in Federal allotment amounts are reflected in the anticipated revenue and related expenditures.

There are two exceptions to this budget matching the Annual Action Plan. The Asset Control Area revenue is a revolving fund and is not included in the Plan. It is a self-funded program.

The other non-Plan revenue is BIC Servicing Revenue. This is revenue generated by the BIC operation to help fund their operation. \$55,000 of this operation is funded by Plan revenue.

The reduction of CDBG HUD Section 108 Loans of \$2,000,000 represents the amount of funding estimated to be available at the end of fiscal year 2014-2015. A State appropriation of \$750,000 was awarded for fiscal year 2015-2016 and will be used in the quality neighborhoods program. This combined with an overall decrease of grant revenue resulted in a net decrease to this fund of \$663,875.

Water Utility	Water Plant Tradesman position added		2	
Water Utility	Water Plant Operator position eliminated			2
Water Utility	Water Plant Supervisor position eliminated			1
Information Technology	Customer Account Coordinator reclassified to Senior Customer Account Coordinator	1		
Information Technology	Telecommunications Administrator and Security Administrator reclassified to Network Administrators	2		

In addition to the above there were four title changes.

OGDEN CITY'S BUDGET PROCESS

Ogden City budgets on the modified accrual basis for the Governmental Fund types and Expendable Fiduciary Fund types with the accrual basis for Proprietary and Non-Expendable Fiduciary fund types. The City funds included in each category are presented in the Combined Budget Summary in the Summary Information section of this budget. The process for the Fiscal Year 2015-2016 began in January 2015 with the City's Revenue Committee meeting to determine initial revenue projections for Fiscal Year 2016.

Once initial revenue projections were developed two budget retreat were scheduled in January 2015 with the Mayor and Department Directors to outline the City's goals for the upcoming budget. During the first weeks of February after the budget retreat, the Comptroller's Office continued to meet with the Department Directors and Division Managers to adjust and refine the preliminary budget.

During the months of March and April, the Administration worked on the preliminary budget to establish a balanced budget referred to as the Tentative Budget. At the first part of April, the Mayor supplied the Department of Management Services with final recommended budget adjustments. The Tentative Fiscal Year 2015-2016 Budget is presented to the City Council no later than their first regularly scheduled meeting in May.

The process continues through May 5, 2015 with the presentation of the Mayor's Fiscal Year 2015-2016 Tentative Budget to the City Council. The City Council accepts the Tentative Budget, sets a date for the public hearing, and holds Budget Work Sessions to study the Tentative Budget. At the time the Tentative Budget is presented to the City Council, copies are made available to the general public at various locations throughout the City. Final adoption of the City's Fiscal Year 2015-2016 Budget must be accomplished by June 22, 2015 according to Utah State law.

In addition to a public hearing on the City's budget, the City Council holds Budget Work Sessions to study the Tentative Budget as submitted by the Mayor. During these Budget Work Sessions, held during May, the City Council may request additional information from the Mayor and staff.

The Truth in Taxation law in the State of Utah requires that the County Auditor review any budget that increases the Certified Tax Rate for any entity. Any entity increasing the Certified Tax Rate above the rate calculated by the County must hold a Public Hearing on the matter prior to August 15, 2015. Legal opinions are that this hearing is not directly budget related and that the budget is to be adopted, per State law, by June 22, 2015.

During the year, by State Code, amendments to the City's budget that increase revenues or expenditures must follow the same public hearing and adoption process as the original budget. In line with this regulation, the amendment process is as follows:

Request for amendments to the budget are submitted by the responsible Department Director and/or Division Manager. These requests are submitted on a form provided by the Department of Management Services for that purpose. The requests are evaluated by personnel in the Comptroller Division for accuracy. After verification of data, the Comptroller reviews the requests for compliance with City and legal requirements. Prior to amending the budget, the following approvals are required at the levels indicated:

Director of Management Services—all requests

Mayor or CAO—all requests involving transfers between departments and additions or reductions in fund allocations

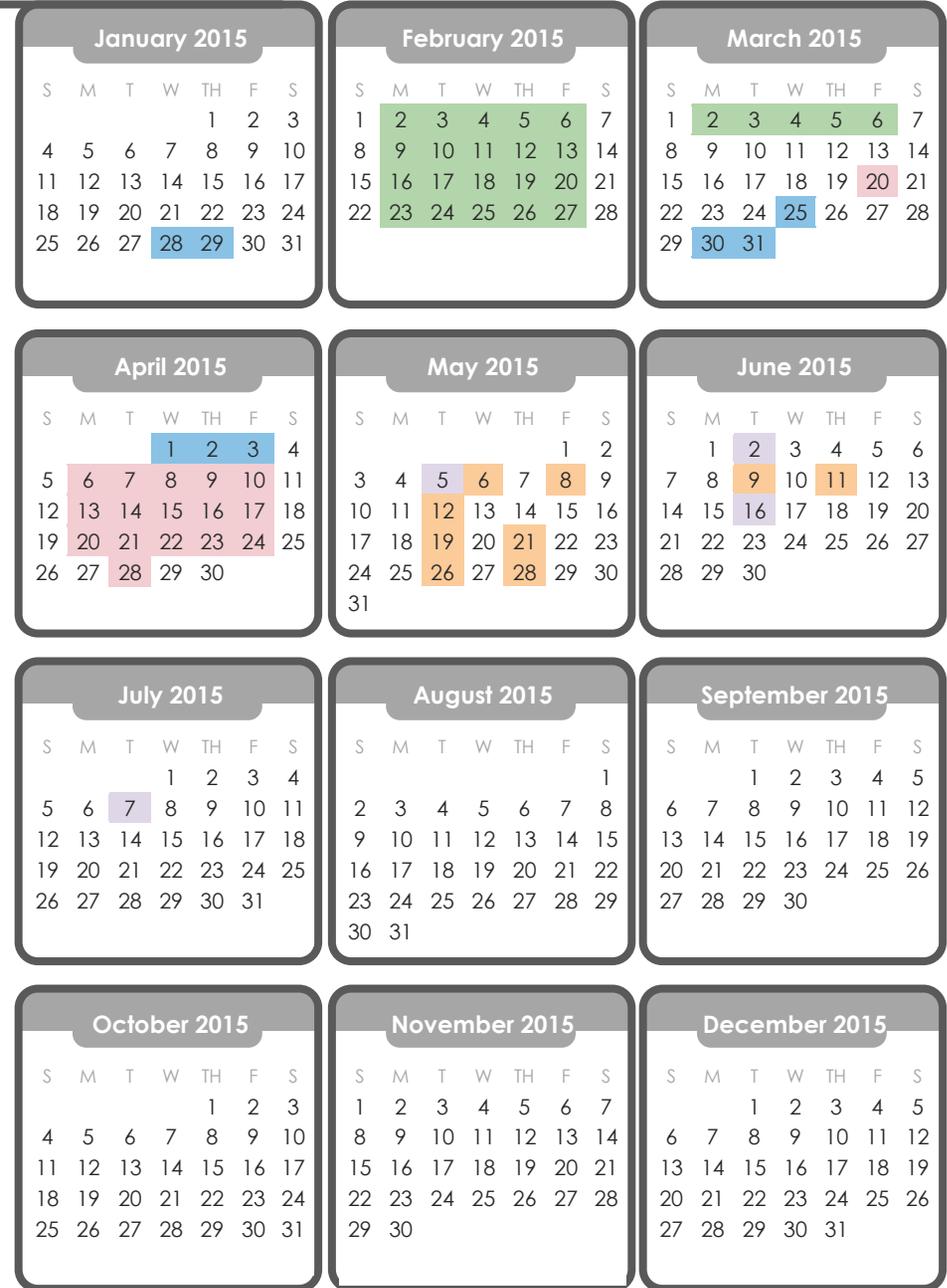

City Council—all requests involving transfers between departments and additions or reductions to fund allocations. The City Council takes action to hold public hearings if required.

BUDGET CALENDAR

FY 2016

OGDEN CITY FY2016 BUDGET PREPARATION

FUNCTION OR PROCESS	STARTING	ENDING
Mayor's Annual Budget Retreat – Review City Council's initiatives and discuss Administration's priorities	1.28.2015	1.29.2015

BUDGET FORMAT

INTRODUCTION

Ogden City's Budget is composed of nine major sections. The introductory section contains the Mayor's letter of budget transmittal to the City Council with his "Budget Highlights." These "Budget Highlights" contain a narrative summary of the most important service level/financial condition information regarding the City's various funds and activities.

City Council budget information is provided here as well as ordinances associated with the budget.

This introductory section also includes summary charts depicting the proposed sources and application of City funds for the fiscal year.

SUMMARY INFORMATION

Much of the data presented in the body and fund sections of the budget require summarization on a City-wide basis. Included here are financial schedules dealing with fund balances, revenues, expenditures, and programmatic expenditures.

GENERAL FUND

This section presents information on the accounts of the General Fund. Information concerning anticipated General Fund revenues is provided first. Then expenditure totals are shown with a funding source indicated for each department. Following this summary, the expenditures are shown on a department and division basis. Funding sources and personnel information are included also.

DEBT SERVICE FUNDS

Several improvement districts have been established within the City, which were funded in advance. The funding is to be paid by property taxes assessed on property within the district.

C.I.P. (Capital Improvement Program)

The Capital Improvement Program section, entitled "C.I.P.," contains the City's Capital Improvement Program for the fiscal year. Capital Improvement Projects are general major expenditures of City funds for significant improvements to our City's infrastructure. This section of the budget displays proposed capital improvement projects in four (4) departments:

1. Administration Projects
2. Construction Projects
3. Services Projects
4. Development Projects

BUDGET FORMAT (continued)

ENTERPRISE FUNDS

Enterprise funds are a governmental accounting system in which services provided are financed and operated similar to a private business. The budget presentation groups these individual funds by area of departmental responsibility. As indicated by the detailed presentation, these funds are under the supervision of Public Services, Community and Economic Development or Fire.

INTERNAL SERVICE FUNDS

Internal service funds are used to account for the financing of goods or services provided by one department to other departments on a breakeven or cost reimbursement basis. These funds are also presented by area of responsibility under Management Services.

TRUST FUNDS

Trust funds are used to account for funds provided to the City when use is restricted. One of these funds is used to account for donations and grants that are to be used for specific purposes. Another, the Perpetual Care Fund, provides partial funding for Cemetery operations from a portion of Cemetery lot sales. Also in this category is the expenditure of funds generated from the investment of the Gomer Nicholas Parks Endowment. Expenditure of these funds must meet the guidelines established by the endowment fund.

SCHEDULES

This section includes personnel and staffing schedules. This section also contains salary schedules that relate to the salary costs projection in the budget. These schedules are adopted by separate ordinance.

GENERAL INFORMATION

A glossary is included in this section.

OGDEN CITY FINANCIAL STRUCTURE

FUND ACCOUNTS

The Financial transactions of the City are recorded in individual funds. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is used to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

The City's budget is presented and approved as funds. Fund accounting is the methodology used as the standard for governmental entities. There are two fund types in the Ogden City budget, governmental funds and proprietary funds. Within these two types are classification as shown below, with the name of the budgeted funds within those classifications also noted.

<p style="text-align: center;">Governmental Fund Types</p> <p>Governmental funds are defined as those funds that are used to account for tax supported activities</p> <ul style="list-style-type: none"> General Fund* Debt Service Funds <ul style="list-style-type: none"> Downtown Ogden Special Assessment Fund Special Revenue Funds <ul style="list-style-type: none"> Tourism and Marketing Fund Redevelopment Agency* Municipal Building Authority Fund Capital Projects Funds <ul style="list-style-type: none"> Capital Improvement Projects Fund Trust Funds <ul style="list-style-type: none"> Cemetery Perpetual Care Expendable Trust Gomer Nicholas Non-Expendable Trust Misc. OGDEN CITY FINANCIAL STRUCTURE

BASIS OF BUDGETING

Ogden City budgets on the modified accrual basis for the Governmental Funds. Modified accrual basis accounting focuses on current financial resources so revenues are recognized in the period in which they become available and measurable. Under the modified accrual basis of accounting, expenditures are recognized on a near-cash basis. Ogden City's policy is that accruals in expenditures are made for 45 days after year end. For Proprietary and non-Expendable funds Ogden City budgets on the accrual basis of accounting so revenues are recognized when earned and expenses when incurred, regardless of when cash is received. Ogden City's basis of budgeting and basis of accounting are the same.

DESCRIPTION OF FUNDS

GOVERNMENT FUNDS

THE GENERAL FUND

To account for resources traditionally associated with governments which are not required to be accounted for in another fund.

DOWNTOWN OGDEN SPECIAL ASSESSMENT FUND

A special revenue fund used to account for the special assessment of revenues that are legally restricted to expenditures for the City's promotion of downtown business activities.

TOURISM AND MARKETING FUND

A special revenue fund used to account for the special assessment of revenues that are legally restricted to expenditures for the City's promotion of downtown business activities.

CAPITAL IMPROVEMENT PROJECTS FUND

The Capital Improvement Projects Fund is used to account for financial resources to be used for the construction of major facilities (other than those financed by Proprietary Funds and Trust Funds).

CEMETERY PERPETUAL CARE EXPENDABLE TRUST

To account for monies received on the sale of grave plots which will provide for perpetual upkeep of the graves.

GOMER NICHOLAS NON-EXPENDABLE TRUST

A permanent Fund to account for the interest earnings of this fund and the transfer of these earnings to the Capital Improvement Projects Fund for use in parks development.

MISC. GRANTS & DONATIONS EXPENDABLE TRUST

To account for monies received through grants and donations for a designated purpose.

FINANCIAL STRUCTURE (continued...)

MAJOR GRANTS EXPENDABLE TRUST

To account for the operations associated with the Community Development Block Grant and the Business Income Center (BIC).

REDEVELOPMENT AGENCY

A special revenue fund used to account for the specific revenues that are legally restricted to expenditures for the City's redevelopment activities, including payment of redevelopment agency debt. The budget for the RDA is presented in a separate budget document.

MUNICIPAL BUILDING AUTHORITY FUND

A special revenue fund used to account for the lease revenues that are legally restricted to expenditures for the City's development associated with Municipal Building Authority. The Budget for the MBA is presented in a separate budget document.

PROPRIETARY FUNDS

ENTERPRISE FUNDS

WATER UTILITY

To account for the provision of water to City residents and some residents of Weber County. All activities necessary to provide such services are accounted for in this fund including, but not limited to: operations, maintenance, financing, billing, and collecting.

SANITARY SEWER UTILITY

To account for the provision of sanitary sewer services to City residents and some residents of Weber County. All activities necessary to provide such services are accounted for in this fund including, but not limited to: operations, maintenance, financing, billing, and collecting.

REFUSE UTILITY

To account for the provision of refuse collection and disposal to City residents and some residents of Weber County. All activities necessary to provide such services are accounted for in this fund including, but not limited to: operations, maintenance, financing, billing, and collecting.

AIRPORT

To account for administration, operation and maintenance of the Ogden Hinckley Airport.

GOLF COURSES

To account for the provision of two recreational golf facilities to Ogden City residents and residents of the surrounding areas.

FINANCIAL STRUCTURE (continued...)

RECREATION

To account for adult and youth recreational programs administered by Ogden City.

PROPERTY MANAGEMENT (BDO Infrastructure)

To account for revenues and expenditures related to the development of the Business Depot Ogden business park formally known as the Defense Depot of Ogden.

STORM SEWER UTILITY

To account for the provision of storm sewer services to City residents and some residents of Weber County. All activities necessary to provide such services are accounted for in this fund including, but not limited to: operations, maintenance, financing, billing, and collecting.

MEDICAL SERVICES

To account for ambulance and paramedic services provided by the City.

INTERNAL SERVICE FUNDS

FLEET AND FACILITIES

To account for the costs of operating a maintenance facility for automotive, mechanical, and electrical equipment used by other departments. Such costs are billed to the other departments at actual cost, which includes depreciation on the garage building and improvements and the machinery and equipment used to provide the service. This fund also accounts for the City's physical facilities maintenance activities.

INFORMATION TECHNOLOGY

Provides information system services to other departments, all of which are integrated into the City's network and computers, and accounts for the costs of these services. Costs are charged to the departments on an estimated usage basis.

RISK MANAGEMENT

Accounts for the risk management activities of the City which include monitoring and administering liability and workman's compensation claims against the City, determining the City's insurance needs and implementing safety programs. Costs are charged to departments on percentage basis according to type of employees and total payroll.

OGDEN CITY'S FINANCIAL PRINCIPLES

General Principles

1. The City will project its annual revenue through an analytical process and will adopt its annual budget using conservative estimates.
2. The annual budgets for all City funds will be structurally balanced throughout the budget process. Recurring revenues will equal or exceed recurring expenditures in both the proposed and adopted budgets. If a structural imbalance occurs, a plan will be developed and implemented to bring the budget back into structural balance.
3. The Administration will include in the narrative transmitting the proposed budget a concise discussion on how the proposed budget is balanced. If the structural balance changes between the proposed and adopted budgets, the Administration will clearly delineate the changes and the proposed results.
4. The City will pay for all current expenditures with current revenues. The City will avoid budgetary procedures which balance current expenditures at the expense of meeting future years' expenses, such as postponing expenditures, accruing future years' revenues, or rolling over short-term debt.
5. Once the General Fund budget is brought into structural balance, one-time resources such as proceeds from asset sales, debt refinancing, one-time grants, revenue windfalls, budget savings and similar nonrecurring revenues shall not be used for current or new ongoing operating expenses. Appropriate uses of one-time resources include establishing and rebuilding reserves, early retirement of debt, capital expenditures and other non-recurring expenditures. The City should not use one-time revenue to fund programs incurring ongoing costs.
6. To the extent the City's tax base is insufficient to fund current services, the City will:
 - a. Continue to look for ways to reduce the cost of government services;
 - b. Consider reducing the level of government services; and
 - c. Consider new user fees or increases in existing fees.
 - d. Should these three alternatives fail to offer a suitable solution, the City will increase the property tax rate as a last resort.
7. The annual budget will provide for adequate maintenance of capital plant and equipment, and for their orderly replacement. The City will project its equipment replacement and maintenance needs for at least three years and will update this projection each year. From this projection, a maintenance and replacement schedule will be developed and followed.
8. The Administration will provide quarterly budget reports to the Council within 45 days after the end of each quarter which compare actual revenues and expenditures to budgeted amounts.
9. The Administration will provide quarterly financial reports to the City Council within 45 days after the end of each quarter that include the following financial reports:
 - a. Balance sheet for governmental funds
 - b. Fund balance analysis for governmental funds
 - c. Cash balance analysis for proprietary funds

These reports are not required to contain notes to the financial statements. Estimates can be included as appropriate.
10. The City will establish and maintain a high standard of accounting systems and practices which will maintain records on a basis consistent with accepted standards for local government accounting.
11. Each year the Administration will include in the Mayor's budget message a list of issues that may and/or will have future financial impacts that need to be considered or planned for. The list of issues should cover all City funds as well as the Redevelopment Agency and Municipal Building Authority.

FINANCIAL PRINCIPLES (continued)

User Fees

1. The City will review the annual budget for those programs which can be reasonably funded by user fees. This review will result in a policy which defines cost and specifies a percentage of that cost to be offset by a fee and establishes a rationale of the percentage. When establishing these percentages, the City will consider:
 - a. Rates charged by other public and private providers,
 - b. Costs required to change the rate,
 - c. The ability of the users to pay, and
 - d. Other policy considerations, e.g., set a fine at a higher price than is needed to cover costs of a program in order to serve as a deterrent.
2. The City will adjust user fee rates annually based on an analysis of the criteria listed above.

Capital Improvement Program & Fund

1. The City will make all capital improvements in accordance with an adopted capital improvements plan.
2. The City will develop a multi-year plan for capital improvements and update it annually.
3. The City will maintain all its capital assets at a level adequate to protect the City's capital investment, and to minimize future maintenance and replacement costs.
4. The City Administration will identify the estimated costs and potential funding sources for each capital project proposal before it is submitted to the City Council for approval.

City Debt

1. State law limits general obligation bonded debt used for general purposes to 4% of the reasonable fair cash value of the City's taxable property.
2. State law also limits general obligation bonded debt for water and sewer purposes to 4% of the reasonable fair cash value of the property plus any unused portion of the amount available for general purposes.
3. The City combines a pay-as-you-go strategy with long-term financing to keep the debt burden sufficiently low to allow debt capacity for as many future years' projects as possible.
4. The City will monitor the economic and population indicators which directly impact bond rating and do as much as it can to assure the highest rating possible.
5. The City limits debt to projects which cannot be reasonably funded over a few years and to terms which are consistent with the useful life of the project being undertaken.
6. The City seeks the least costly financing available. All debt commitments are reviewed centrally by the City Treasurer who looks for opportunities to combine issues, or for alternative methods which will achieve the lowest possible interest rates and issuance costs.
7. The City will explore all options for bonding such as special assessment, revenue, other self-supporting bonds, and general obligation bonds.
8. The City will maintain good communication with bond rating agencies about its financial condition. The City will follow a policy of full disclosure on every financial report and bond prospectus.
9. In order to establish appropriate accountability and accounting consistency, all "due to and due from transfers" are to be approved by the City Council. The Finance Manger will recommend appropriate transfers to the City Council annually in conjunction with the financial audit.

FINANCIAL PRINCIPLES (continued)

10. Balances in overdraft must be addressed within 90 days from the end of the fiscal year. If any overdraft cannot be cleared within 90 days from the end of each fiscal year then the City Council will be notified prior to the completion of the 90 day period. The plan to address any overdraft that cannot be cleared must be approved by the City Council.

City Investments

1. The City will make a cash-flow analysis of all funds on a regular basis. Disbursement, collection, and deposit of all funds will be scheduled to insure maximum cash availability.
2. The City will pool cash when possible from several different funds for investment purposes.
3. The City will invest City funds in accordance with the State Money Management Act and the Rules of the State Money Management Council.
4. The City will make arrangements with banks on a contractual basis for a specified period of time and with specified fees for each service rendered.

Reserve Policies

General Fund

1. The City will establish a General Fund contingency reserve fund on an annual basis to provide for unanticipated expenditures of a nonrecurring nature, or to meet unexpected small increases in service delivery costs. This reserve will be established at a level, not to exceed ½ of one percent of the general operating fund.
2. The City will maintain an operating reserve in the General Fund of at least 5% of annual general fund revenue as required by Utah Code, Section 10-6-116(4). The minimum 5% and the maximum 25% include amounts reserved in the unassigned, committed, and assigned categories of General Fund fund balance.
3. The City will establish a committed fund balance within the General Fund for employee pay for performance increases with the intent to accumulate a sufficient balance such that funds are available to be appropriated in order to maintain a competitive compensation package in the event the City is unable to give pay for performance increases during one or more fiscal years.

Utility Enterprise Funds

4. Unrestricted net assets in the enterprise funds do not have State required minimum or maximum balances.
5. The City will establish and maintain the same minimum standards imposed on the General Fund for the utility enterprise funds (Water, Sewer, Storm Sewer and Refuse).
6. The minimum required level of unrestricted net assets is 5% of the individual enterprise activities budgeted revenue of the upcoming fiscal year.
7. The City will allow unrestricted net assets to accumulate to a level greater than 5% to allow for continual improvement and replacement of the existing systems according to a reasonable schedule as needed.

Enterprise Funds

8. In any year in which the City Council appropriates General Fund revenue into a committed fund balance established for pay for performance increases, a proportionate amount of enterprise fund revenue will also be appropriated into such account for pay for performance increase for employees compensated out of enterprise funds.

Adopted by Joint Resolution of the Ogden City Council & Mayor on May 2, 1995.

Ogden City Corporation
Fiscal Year 2016 Budget
General Information

Economic growth of the local economy appears to be stable and ongoing at the end of fiscal year 2015. Development projects planned for and started in prior years will continue to show results in FY2016. The City received a HUD 108 loan during FY2015 to help start development in the trackline development area. The HUD 108 loan will be repaid with tax increment revenue in the trackline development area.

Improvement of the City's Water and Sewer systems continues to be a major focus for the City. The City is nearing the completion of a new water treatment plant at the base of Pine View Reservoir. The new treatment plant was finance through a water bond and will be repaid with water utility revenue.

It is difficult to determine what economic conditions will be during the next fiscal year. In budgeting revenue for FY2016, the City took a conservative approach, with minimal growth projected.

Debt Information:

General Obligation debt payments are funded by voter approved specific property tax levies. As such, the future payment obligations are provided for. The Building Authority bond payments are funded from lease payments by the City on the municipal building and stadium. Payment by the City is a general fund allocation each year. Payment on the revenue bonds is provided in the rate structure for the utility operations, which is analyzed annually. Full amortization schedules of City debt are included in the City's Comprehensive Annual Financial Report.

The City's general debt limit and utility debt limit are calculated in the same manner, based on calculations using property values:

The City's general debt limit is \$222,508,335.

The utility debt limit is \$222,508,335.

The City's bonded debt is as follows:

<u>Description</u>	<u>Matures</u>	<u>Original Issue</u>	<u>Outstanding June 30, 2014</u>	<u>FY2015 Total Pmts Principal</u>	<u>FY2015 Total Pmts Interest</u>
<i><u>Government Activities</u></i>					
General Obligation	12-15-2015	8,125,000	4,075,000	2,000,000	125,550
General Obligation	03-01-2026	1,737,000	1,454,000	103,000	43,240

State Water Bond	03-06-2013	5,339,000	5,128,000	216,000	122,559
Storm Drain Bonds	06-15-2033	4,490,000	4,285,000	160,000	128,550
Water/Sewer Revenue	06-15-2038	13,225,000	12,755,000	315,000	382,650
Total			<u>86,251,000</u>	<u>5,081,000</u>	<u>3,429,220</u>

Capital Expenditures:

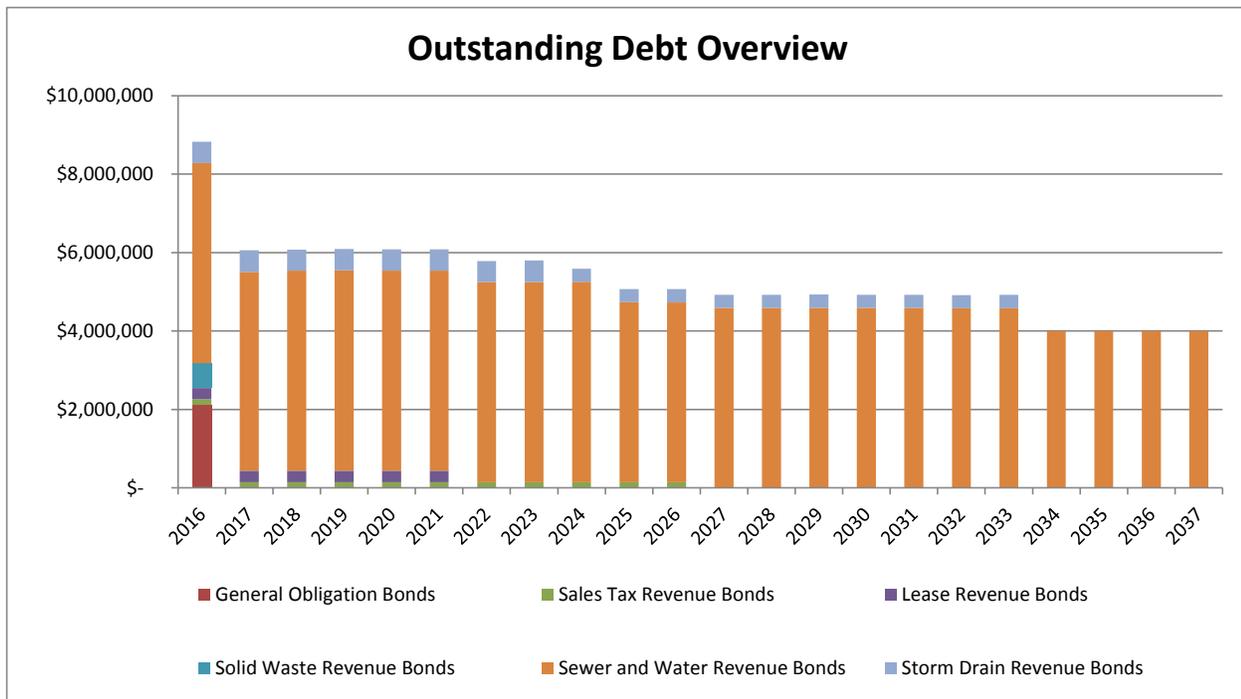

Capital acquisition and construction are budgeted as expenditures in the funds. All capital expenditures must exceed an initial individual cost of more than \$5,000 to meet the capitalization threshold.

Depreciation of all exhaustible capital assets is charged as an expense in the related program. The estimated useful lives of depreciable assets are as follows:

Buildings	25-50 Years
Improvements	10-25 Years
Equipment	3-10 Years
Vehicles	3-10 Years

OGDEN CITY COMMUNITY PROFILE

Ogden, also known as *Junction City* because of its century old role as the junction of the transcontinental railroad, is the heart of northern Utah and the Weber County seat of government and business. Ogden City is nestled against the Wasatch Mountains with fantastic views of the Wasatch mountain range to the east and the Great Salt Lake to the west. Two major rivers, the Ogden and the Weber, flow through the City on their way to the Great Salt Lake. Ogden sports four distinct seasons, with temperatures ranging from mid-20s in January to the mid-80s in July. In the 1920's crime boss Al Capone himself was heard to comment that Ogden was too wild a town even for him. Ogden today is all about one thing - making you feel at home while setting the stage for genuine adventure.

Ogden is located 35 miles north of Salt Lake City and is a 40 minute drive from the Salt Lake City International Airport. Ogden's proximity to world-class mountain sports and its related quality of life was discovered during the 2002 Winter Olympic Games when it hosted the downhill, Super-G and combined alpine events at Snowbasin and the curling events at the Weber County Ice Sheet. Since then, the City has attracted some of the most high-profiled brands in the outdoor sporting goods industry to make Ogden their headquarters. Such relocations and expansions include, Salomon, Suunto, Atomic, Descente, Nidecker Snowboards, Goode Technologies, Rossignol, Scott, and Quality Bicycle. The Wall Street Journal recently named Ogden "the center of outdoor sports gear in the U.S." Virtually no other metropolitan area can boast immediate access to 230 miles of maintained trails, an excess of 13,000 acres of fresh water and over 170,000 acres of National Forest land. Translation: Descend from a 10,000 foot peak through epic powder or on a plush mountain bike trail and refuel with fresh sushi and microbrews, take in a night of fine art or live music at Peery's Egyptian Theatre.

Within minutes of Ogden's independent, eclectic and historic downtown area, you will find virtually every national retail and restaurant chain. Ogden is home to Weber State University, with an on-campus enrollment of over 25,000 students. Weber State University offers over 215 certificate and degree programs (the largest undergraduate offering in the state), hundreds of online classes, and many other educational opportunities. With several key event centers, Weber State University is a major cultural center for the area. This unique mix of rugged mountains, historic districts and modern, upscale development makes Ogden one of the most unique places anywhere to work and live.

POPULATION

Ogden City Population: 83,670
Downtown Daytime Population: 19,279

Average Household Size: 2.74
Median Age: 29.7
Average Household Income: \$54,076

* Fund balance amounts for the general fund include misc grants and major grant activity.

¹ General Obligation Bonds, Justice Court Building.

² Revenue Bonds.

³ Repayments to other funds.

⁴ General Fund Balance at 6/30/14 includes the Misc Grants and Major Grants Funds, any projected changes as of 6/30/15 and 6/30/16 are shown separately.

⁵ The Tourism & Marketing Fund change is due to commitments related to the Ski Bus and new Cowboy Hospitality Sponsorship at the annual Ogden Pioneer Days Rodeo.

⁶ The CIP Fund change is due to the renovations and needed utility funding for Union Station as they approach the kick-off of their capital campaign.

⁷ The Water Fund change is due to Capital Improvement Projects (CIP) as recommended by the Water Rate Study and Master Plan.

⁸ The Golf Course Fund change is due to Golf Courses covering their own operating costs instead of receiving any funding allocations from the General Fund.

⁹ The Storm Sewer Utility Fund is new for FY2015. The change is due to CIP projects as recommended by the Sewer Utility Rate Study.

¹⁰ The Medical Services Fund used fund balance in FY2015 to cover the costs to rebuild Station #3. In FY2016 it is anticipated that their fund balance will grow due to operations.

¹¹ The Fleet and Facilities fund change is due to this fund covering it's own replacement rather than an allocation from the BDO Lease Revenue Fund.

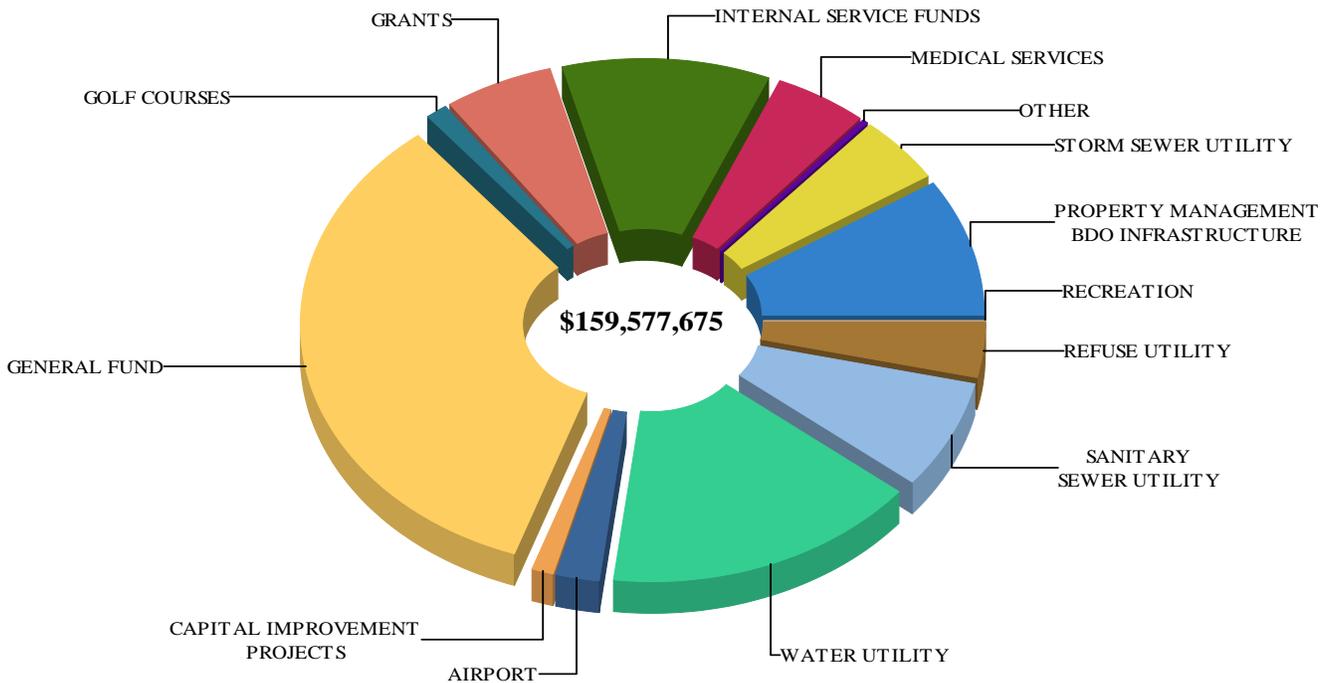

¹² The Risk Management Fund change is due to more efficient management and consolidation of the HR and Risk Management Divisions, resulting in a positive Fund Balance.

¹³ The Cemetery Fund is beginning a large CIP project to automate the sprinkler systems at the cemetery and requires a use of fund balance to help cover the costs.

OGDEN CITY
2015-2016 BUDGET

**FISCAL YEAR REVENUE BUDGET
GENERAL FUND**

	2014 ACTUAL	2015 7-MO ACTUAL	2015 ADOPTED	2016 BUDGET
TAXES				
CITY IN LIEU OF TAXES	674,015	294,942	700,000	675,000
<i>Fees in Lieu of Taxes charged on such items as vehicles, trailers, and boats are recorded as revenue in this section. Because of the nature of the assessment, \$100,000 of the Fees in Lieu of Taxes are earmarked for payments on the General Obligation Bonds.</i>				
FRANCHISE TAXES	8,272,313	3,436,955	8,197,450	7,700,000
<i>Franchise Taxes are collected from the utility companies, telephone companies and cable television companies based on revenue of the various entities. The revenue is fairly constant from year to year and projections are based on that premise.</i>				
PROPERTY TAXES	10,172,492	8,620,505	11,039,725	10,747,750
<i>Property Taxes are estimated based on calculations from the County Auditor using the Certified Tax Rate formula enacted by the State Legislature. The payment of \$2,112,750 on voter approved bonds is paid from Property Taxes but is not considered in the computation of the Certified Tax Rate in determining if there is an increase in the rate. Because of the Certified Tax Rate, property tax revenue is relatively flat from year to year and is expected to remain that way.</i>				
SALES TAXES	14,581,388	7,945,776	15,259,475	16,783,225
<i>Sales Taxes are based on projections taking into account the State's distribution formula. The City's portion of sales tax is one percent. Of that amount, 50% is allocated to the City as the point of collection. The remaining 50% goes to a State pool to be distributed back on a population basis.</i>				
SPECIAL ASSESSMENTS	4,391,507	2,736,650	4,691,425	4,718,875
<i>Allocation to Municipal Operations are charges to City-operated utilities based on anticipated utility revenue in the same manner as the utility companies mentioned under Franchise Taxes above. The rate is based on revenue so anticipated changes are the result of rate increases and usage.</i>				
	38,091,715	23,034,828	39,888,075	40,624,850

FIRE DEPARTMENT

Organizational Structure

Non-general operations indicated by underlined text.

FUNCTIONS

The Fire Department is responsible for responding to many types of public safety requests from the community. Services include fire prevention and emergency preparedness, education, investigations, fire suppression, hazardous material mitigation, emergency medical services, and the operation of a "911" emergency communication center.

OGDEN CITY
2015-2016 BUDGET
FIRE

OBJECTIVES

The mission of the Ogden City Fire Department is to provide a wide range of services to the community designed to protect and preserve life, property, and the environment through planning, prevention, education, and response. We are committed to excellence in the delivery of these services.

FY 2015 ACHIEVEMENTS

- 15,110 Medical Calls and 1,776 Fire Calls
- Over 1,530 personnel hours were spent towards public education
- 255 Plan Reviews
- Distributed 5,250 smoke detectors to low income Ogden City residents through a Federal Grant
- Responded to 127 structure fires
- Received a Federal Assistance to Firefighters Grant that fully funded the replacement of the 13 year-old fleet of Self-Contained Breathing Apparatus
- Awarded a Federal Assistance to Firefighters Grant that helped to fund 8 Stryker Power LOAD systems for ambulances

COMMUNITY AND ECONOMIC DEVELOPMENT DEPARTMENT

Organizational Structure

Non-general operations indicated by underlined text.

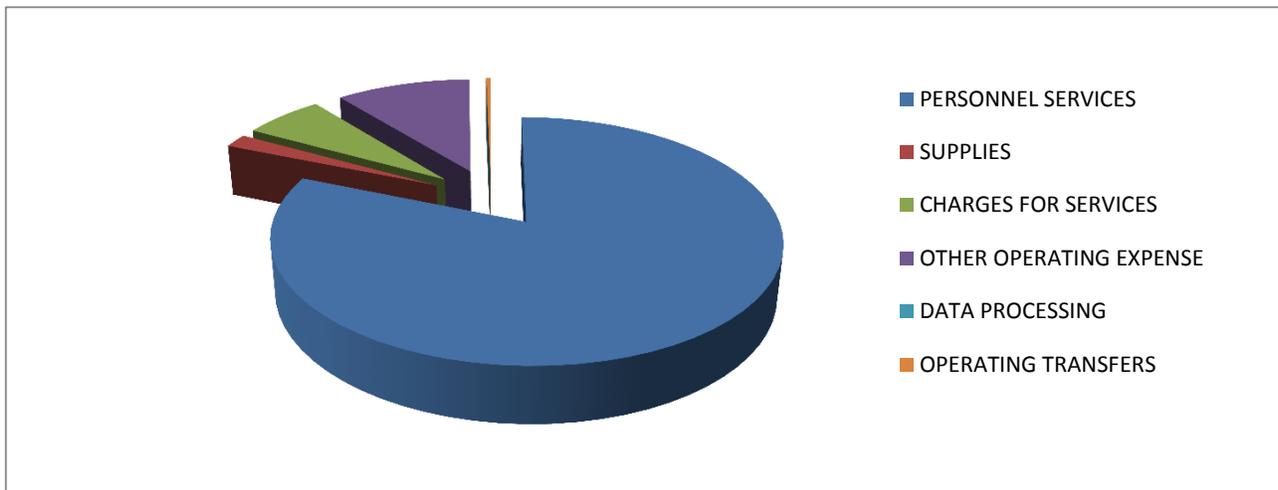

FUNCTIONS

The Department works with our community to enhance the quality of life in Ogden by planning for Ogden's future while preserving its heritage. CED is dedicated to effectively implementing community standards which promote desirable residential and business neighborhoods and safe, habitable buildings. Additionally, the Business Services division now reports to this Department for all administrative and day-to-day operations.

PUBLIC SERVICES DEPARTMENT

Organizational Structure

Non-general operations indicated by underlined text.

FUNCTIONS

Public Services provides a diversity of services, utilities, events, and recreational opportunities through its Divisions. The Public Services Department helps to provide for citizens' safety through many of the services it provides.

**OGDEN CITY
2015-2016 BUDGET
PUBLIC SERVICES**

OBJECTIVES

The Public Services Department is one of the largest and most publicly visible departments within the Ogden City Corporation. With a variety of divisions making up the department, we cover a broad range of services and duties ranging from the maintenance of the streets you drive on to the water that you drink. We are also involved in, and responsible for a variety of fun and interesting events and venues within the city such as El Monte and Mt. Ogden Golf Courses, River Parkway, Christmas Village, Winterfest, and the Pioneer Days Celebration each July.

Another aspect of our department is to build working relationships with the community through coordinating volunteer projects and community services. We believe that making a contribution of your time helps to bring a sense of pride and satisfaction back into our community. The ability for residents, businesses, religious groups and service groups to work together truly make Ogden City a great place to live.

FY 2015 ACHIEVEMENTS

- Continued construction on \$13 Million Water Filter Plant to replace existing, outdated Filter Plant
- Replaced 565 manual water meters to automatic meters
- Replaced the irrigation pump station at Mt. Ogden Golf Course
- Mt. Ogden Golf Course improvements included updating the clubhouse exterior to stucco to match the events pavilion, rebuilding the deck and patio, and general updates to the clubhouse area
- Sponsored High School All-Star Showcase, which 21 different college coaches attended
- Completed a post-tension basketball court in partnership with the Utah Jazz basketball team
- Added free after-school intramural boys & girls soccer and track & field programs for the youth of Ogden
- Remodeled the concession stand at 4th Street ball complex
- Demolished and rebuilt the aging and deteriorated Lorin Farr Pavilion
- Completed partial reconstruction and new construction of Doxey Street to serve infill housing
- Paved Pacific Blvd, built a storm water detention basin, and improved sidewalks in conjunction with the new Lantern House homeless shelter

DEBT SERVICE FUNDS

DEBT SERVICE FUNDS

FUNCTIONS

Debt Service funds are used to account for the accumulation of resources for, and the payment of, general long-term debt principal, interest, and related costs. Several improvement districts have been established within the City, which were funded in advance. The funding is to be paid by property taxes assessed on properties within the district.

DOWNTOWN OGDEN SPECIAL ASSESSMENT

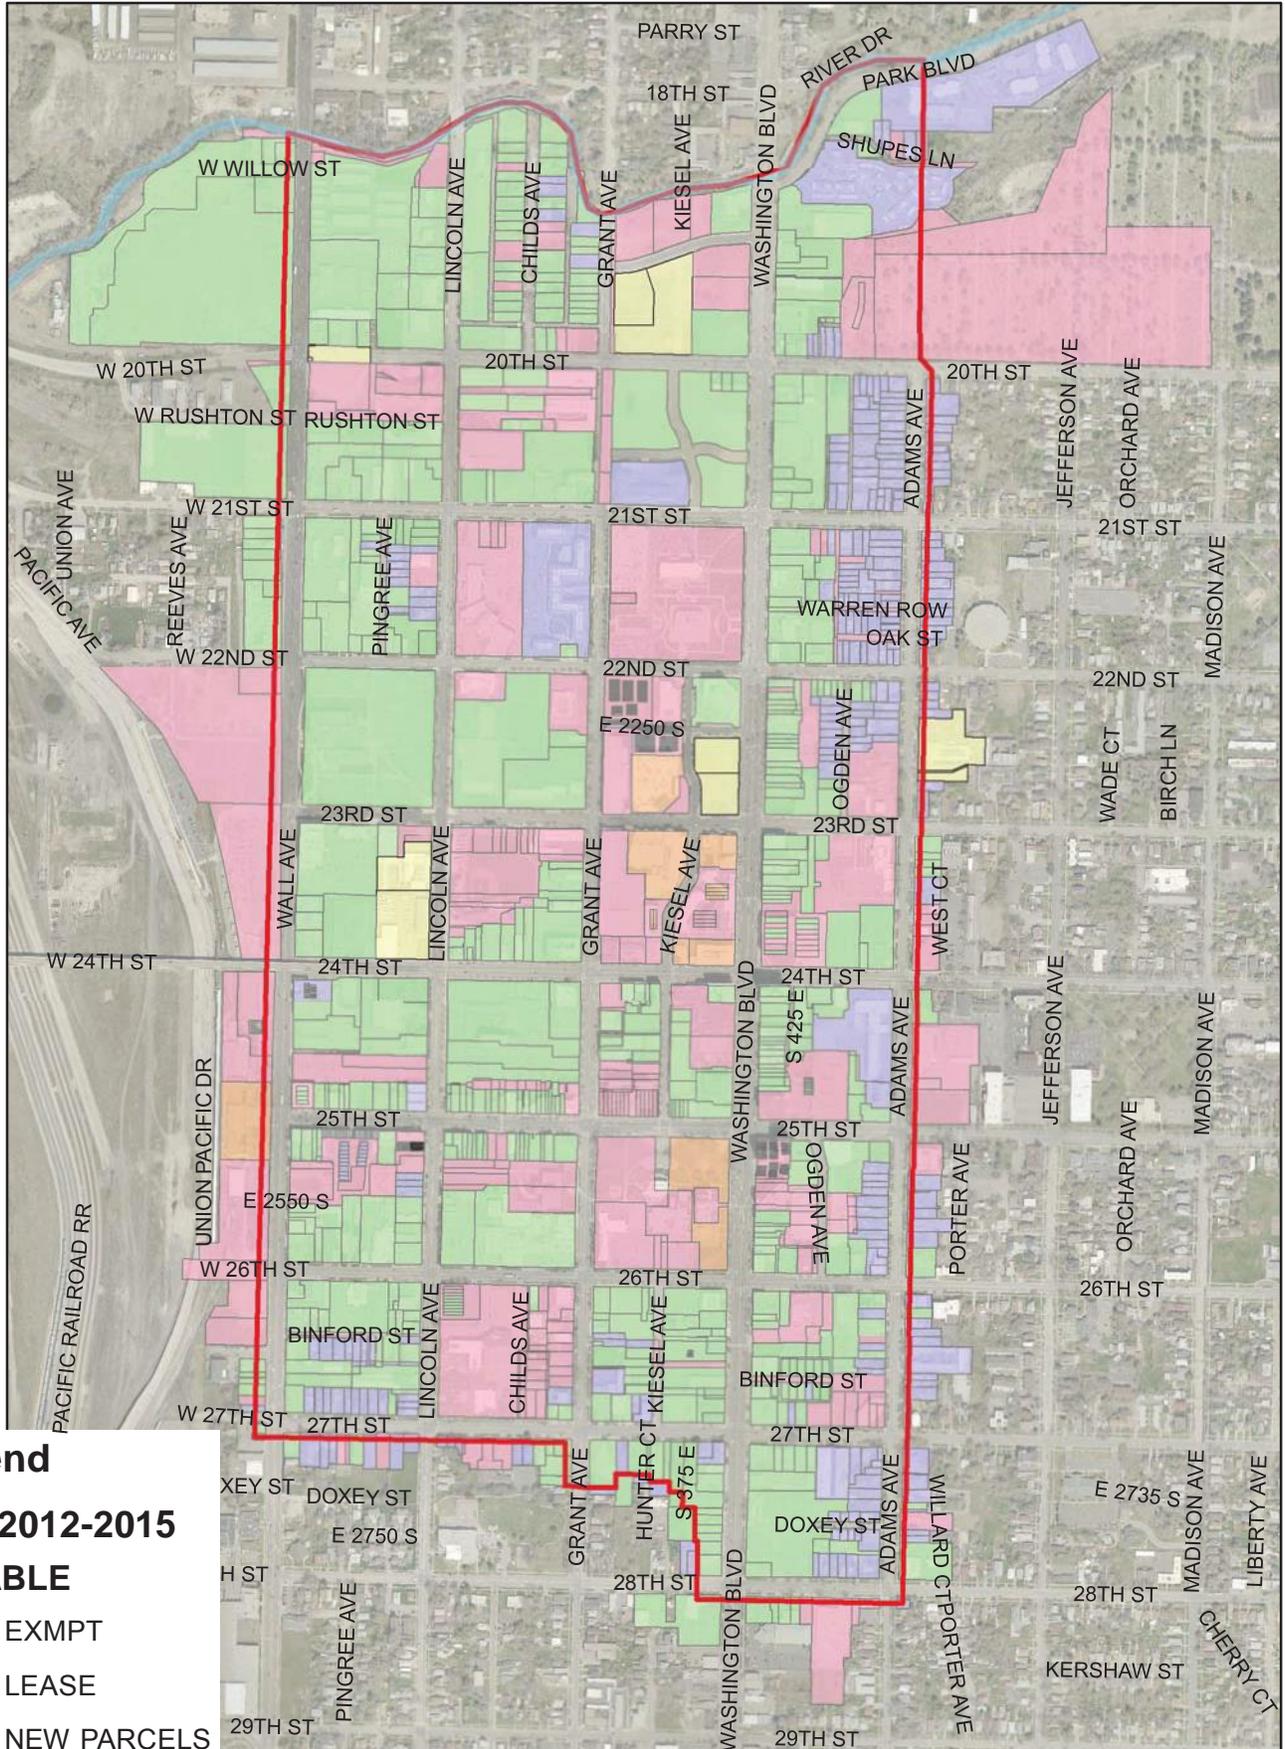

Downtown Ogden Special Assessment

Special Assessment Funds

FUNCTIONS

Special Assessment funds are a compulsory tax levy on certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties or their owners. The Ogden City Council has created a special assessment district within Ogden's Central Business Improvement District No. 2 for economic promotion activities for the period of 2012-2015. This special revenue fund is used to account for the special assessment of revenues that are legally restricted to expenditures for the City's promotion of downtown business activities.

CAPITAL IMPROVEMENT PROJECTS FUND

CAPITAL IMPROVEMENT PROJECTS

FUNCTIONS

The Capital Improvement Projects Fund is used to account for financial resources set aside for the acquisition, construction, or improvement of major capital facilities (other than those financed by Proprietary Funds and Trust Funds). The budgeted projects are included in the 5-year CIP Plan adopted by the Ogden City Council.

CAPITAL IMPROVEMENT PROJECTS

**OGDEN CITY
2015-2016 BUDGET
SUMMARY OF CIP PROJECTS FUNDED
CAPITAL IMPROVEMENT FUND**

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

	FY 2015-2016 BUDGET	OPERATING BUDGET IMPACT
NON-DEPARTMENTAL		
BUILDINGS		
FL007 - General Facilities Improvements <i>The City has recently completed a Facilities Assessment on all major City-owned buildings. The recommendations of this assessment will determine which facilities need improvements immediately and outline the order in which improvements are to be completed. This project is intended as a multi-year project to continue funding facility improvements.</i>	\$ 232,500	No Additional Operating Budget Impact Expected
GC030 - City Owned Parking Lot Improvements <i>The City's parking lots have deteriorated over the years and are in need of improvements. This project would include crack sealing, rotomilling, pavement overlays, and general asphalt repair to all the city-owned asphalted parking lots. The parking lots will be evaluated and funding will be based on the most critical parking lots first. This project ensures compliance with the city-wide property management plan.</i>	\$ 151,500	No Additional Operating Budget Impact Expected
MISCELLANEOUS		
Interfund Transfers <i>This transfer to the General Fund will help to cover Union Station utilities for FY2016. Union Station is owned by Ogden City and operated by the Union Station Foundation.</i>	\$ 47,000	No Additional Operating Budget Impact Expected
NON-DEPARTMENTAL TOTAL	\$ 431,000	

**OGDEN CITY
2015-2016 BUDGET
SUMMARY OF CIP PROJECTS FUNDED
CAPITAL IMPROVEMENT FUND**

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

	FY 2015-2016 BUDGET	OPERATING BUDGET IMPACT
PUBLIC SERVICES		
PARKS AND RECREATION		
PK071 - Gomer Nicholas Park Improvements <i>The Gomer A. Nicholas Park Endowment Fund is a permanent fund to account for the interest earnings and transfer these earnings to the CIP Fund. The interest only, not the principal, may be used for park development throughout Ogden City.</i>	\$ 1,500	No Additional Operating Budget Impact Expected
PK124 - General Park Improvements - Lester Park Community Plan Project <i>The purpose of the General Park Improvements project is to provide basic and general improvements to the facilities in our entire parks systems city-wide. The priority parks include Lester, 9th Street, Grandview, and Rolling Hills. The FY2016 funding is related to the East Central Community Plan that identifies Lester Park in need of upgraded park facilities and lighting. Lester Park is also the location for the Ogden Police Department's 'Night Out Against Crime' and improvements would also help to enhance this event. Improvements to our parks system helps to reinforce our recreation and adventure vision, promotes a healthy lifestyle, and provides a fun family atmosphere to help strengthen the community.</i>	\$ 151,500	No Additional Operating Budget Impact Expected
PY006 - Parkway Asphalt Repair <i>The Ogden River Parkway Trail is 6.1 miles of asphalted trail along the Ogden River. This project is to repair and maintain the asphalt along the trail system. The project cost also includes laying fiber conduit along the parkway trail for future IT fiber infrastructure needs.</i>	\$ 30,300	No Additional Operating Budget Impact Expected
RG068 - Ball Park Infield Upgrades <i>Ogden City has a total of seven softball/baseball fields, all of which are regularly utilized by Ogden City programs, school districts, and private groups. Infield upgrades are essential in providing patrons with safe, high quality playing surfaces. Ball fields require consistent care as weather conditions, in addition to play usage, erode playing surfaces and lead to safety hazards such as exposed rocks.</i>	\$ 20,000	No Additional Operating Budget Impact Expected
RM016 -Grandview Park Restrooms <i>The existing restrooms at Grandview Park were closed indefinitely when they were deemed structurally unsound after settlement of the slab and main bearing walls occurred. It is readily apparent that the existing restrooms need to be demolished and new restrooms built to current construction standards. These upgrades will allow for the reservation of the park for functions and provide restroom facilities for the numerous soccer leagues that play at that park. Grandview Park Restroom upgrade was awarded \$103,675 in RAMP funding and additionally funded with a \$20,000 match from the City.</i>	\$ 123,675	No Additional Operating Budget Impact Expected

**OGDEN CITY
2015-2016 BUDGET
SUMMARY OF CIP PROJECTS FUNDED
CAPITAL IMPROVEMENT FUND**

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

	FY 2015-2016 BUDGET	OPERATING BUDGET IMPACT
PUBLIC SERVICES		
STREETS		
CD104 - Trackline Business Park Infrastructure <i>The Trackline Business Park is a 100-acre master-planned business and industrial location with over 80 buildable acres for sale or lease. Due to the extensive demolition, flood-plain, and environmental issues that currently exist and require resolution, this project would be unfeasible but for additional public incentive to assist in the construction of off-site mainline utilities that service the project area. This project is proposed as a 4-year project with \$250,000 being allocated each year.</i>	\$ 250,000	No Additional Operating Budget Impact Expected
EN004A - Curb, Gutter, Sidewalks - General <i>Funding for an ongoing project to replace/upgrade curb, gutter, and sidewalks throughout the City. The intent of general funding is to correct concrete deficiencies that do not meet city engineering standards and pose potential safety hazards.</i>	\$ 327,025	No Additional Operating Budget Impact Expected
EN004B - Curb, Gutter, Sidewalks - 50/50 City Citizen Program <i>Funding for an ongoing project to replace/upgrade curb, gutter, and sidewalks throughout the City. The intent of the 50/50 citizen program is to give members of the community an opportunity to improve their concrete in an expedited manner. This funding allows for the City to cover a percentage of the costs associated with concrete replacement that citizens are responsible for.</i>	\$ 40,000	No Additional Operating Budget Impact Expected
EN006 - Street Construction <i>This is an ongoing project for the continual upgrade of the most severely deficient streets in the City. This project provides funds for various road reconstruction projects outlined in the Public Ways & Parks street improvement plan and are allocated each year based on the most seriously deteriorated street sections. At times, as deemed applicable by the City Engineer, road conditions may be addressed that are not in the street improvement plan due to unforeseen failures/circumstances. This project funding includes engineering, design, and project expenses.</i>	\$ 377,200	No Additional Operating Budget Impact Expected
PUBLIC SERVICES TOTAL	\$ 1,321,200	
CAPITAL IMPROVEMENT PROJECTS TOTAL	\$ 1,752,200

ENTERPRISE FUNDS

ENTERPRISE FUNDS

Organizational Structure

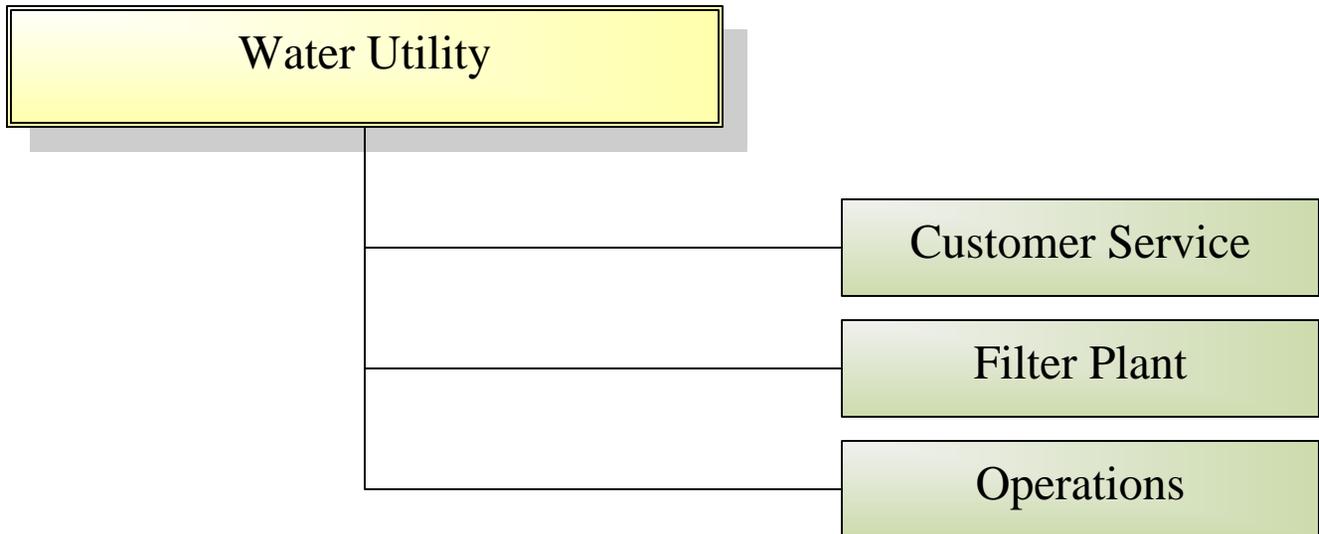

FUNCTIONS

An Enterprise Fund is a proprietary fund established to account for operations financed and operated in a manner similar to a private business. The budget groups these individual funds by area of departmental responsibility. As indicated by the detailed presentation, these funds are under supervision of Public Services, Community and Economic Development, or Fire.

WATER UTILITY

Organizational Structure

FUNCTIONS

The Water Utility Fund is a proprietary fund established to account for operations financed and operated in a manner similar to a private business. The Water Utility fund is used to account for the provision of water to City residents. The Water Division has started a Water Conservation Program to ensure the long-term viability of Ogden City's water sources. Rate increases were necessary to fund a broad range of improvements, upgrades and expansion of the distribution system due to the age of the current infrastructure. A substantial amount of infrastructure improvements are being completed with the use of bond funding.

**OGDEN CITY
2015-2016 BUDGET
SUMMARY OF CIP PROJECTS FUNDED
WATER UTILITY FUND**

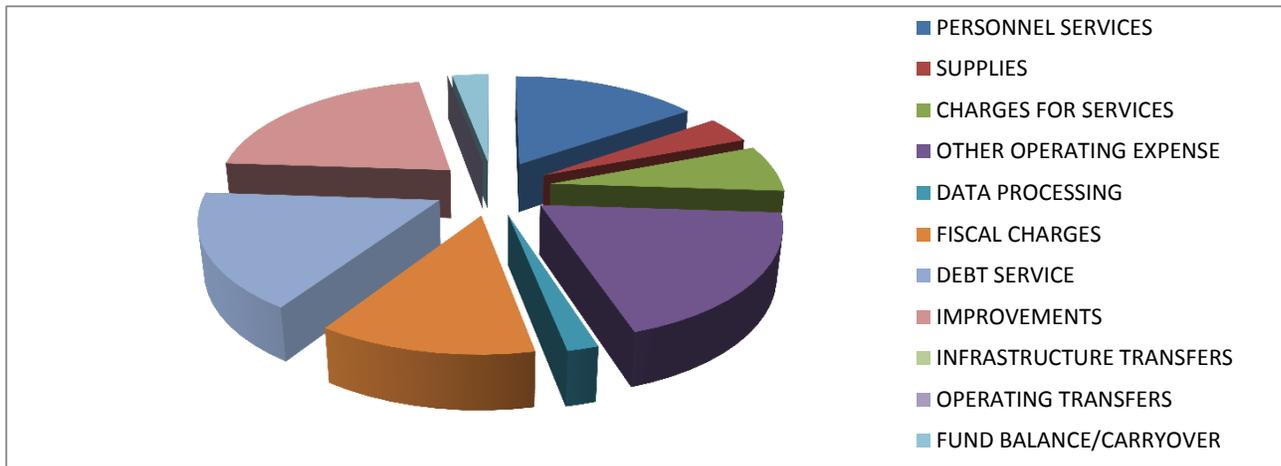

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

PUBLIC SERVICES	FY 2015-2016 BUDGET	OPERATING BUDGET IMPACT
WATER UTILITY		
WU015 - Distribution Fire Flow & Pressure <i>Ogden City's culinary water distribution system is one of the largest in the State of Utah and includes approximately 359 miles of water line. The 2011 Water Master Plan has identified areas that have insufficient size piping, areas that need looping and other upgrades to provide sufficient pressure and fire flow protection. The Ogden City Council adopted a policy to ensure 50 PSI of water pressure for Ogden residents. This project is planned to help bring us in compliance with that policy. All construction under this project will follow the priority list in the amended master plan. This is an ongoing project that is anticipated to be funded annually according to the rate study.</i>	\$ 2,288,400	No Additional Operating Budget Impact Expected
WU015 - Pipe Replacement <i>Ongoing project to replace deficient pipe throughout the City in accordance with the Water Master Plan. The 2011 master plan has identified the areas that need improvements or are in need of replacement. Pipes will be replaced according to known system deficiencies and as failures occur.</i>	\$ 2,515,100	No Additional Operating Budget Impact Expected
WU069 - Remote Meter Reading <i>Technology has advanced to the point that providing real time information to our customer is now possible. Real time information helps encourage water conservation by identifying leaks and high consumption. This also brings any problems to both the customer and the Water Utility personnel's attention to ensure a timely response. This project entails placing towers throughout the City that connect to water meters. A software will be obtained that places this data where utility customers can retrieve it. This project will further the City Council's goals of water conservation, public safety, and customer service.</i>	\$ 605,000	No Additional Operating Budget Impact Expected
WATER UTILITY FUND TOTAL	\$ 5,408,500

REFUSE UTILITY

Organizational Structure

FUNCTIONS

The Refuse Fund is a proprietary fund established to account for operations financed and operated in a manner similar to a private business. The Refuse Fund accounts for the provision of refuse collection and disposal to City residents and some residents of Weber County. Rate increases in prior years have allowed the fund revenue to keep pace with operation costs. The City made the decision to switch to CNG refuse trucks to try and hedge the risk of future rising fuel prices and reduce the carbon footprint of the refuse collection system.

AIRPORT

Organizational Structure

FUNCTIONS

The Airport Fund is a proprietary fund established to account for operations financed and operated in a manner similar to a private business. Commercial airline flights at Ogden Hinckley Airport began in September of 2012. To accommodate these commercial flights, Ogden City expanded the airport terminal and received substantial grants for the expansion and improvement of a specified taxiway.

SUMMARY OF CIP PROJECTS FUNDED
GOLF COURSES FUND**

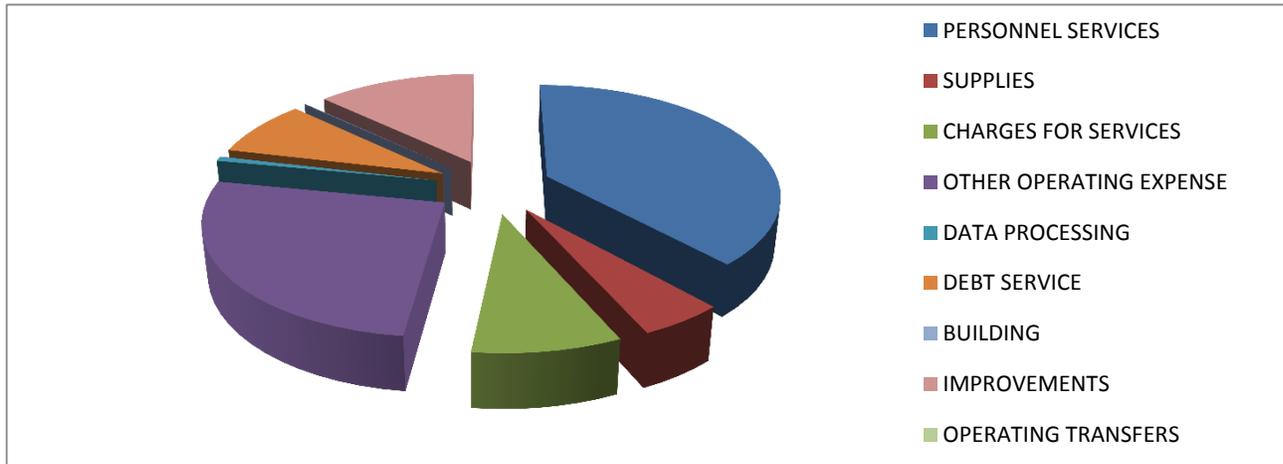

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

PUBLIC SERVICES	FY 2015-2016 BUDGET	OPERATING BUDGET IMPACT
EL MONTE GOLF COURSE		
General Grounds Improvements <i>Ongoing funding for the general repair & maintenance of the El Monte Golf Course grounds.</i>	\$ 2,500	No Additional Operating Budget Impact Expected
MT OGDEN GOLF COURSE		
General Grounds Improvements <i>Ongoing funding for the general repair & maintenance of the Mt. Ogden Golf Course grounds.</i>	\$ 5,000	No Additional Operating Budget Impact Expected
GF032 - Irrigation System Replacement <i>The current irrigation system at Mt. Ogden Golf Course has deteriorated due to normal use and the age of the system. This system is inefficient and costly to operate. Engineering has modeled the irrigation system and has provided recommendations for irrigation system replacement. The estimated total cost for complete replacement of the irrigation system is approximately \$2 Million. Due to the large nature of this project, it was recommended to replace the system in phases, beginning with the most critical sections of the system.</i>	\$ 202,000	No Additional Operating Budget Impact Expected
GOLF COURSES FUND TOTAL	\$ 209,500

STORM SEWER UTILITY

Organizational Structure

FUNCTIONS

The Storm Sewer Utility Fund is a proprietary fund established to account for operations financed and operated in a manner similar to a private business. Ogden City Storm Sewer provides services to City residents and some residents of Weber County. Extensive infrastructure projects have been completed in recent years including the Ogden River restoration project.

**OGDEN CITY
2015-2016 BUDGET
SUMMARY OF CIP PROJECTS FUNDED
STORM SEWER UTILITY FUND**

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

PUBLIC SERVICES	FY 2015-2016 BUDGET	OPERATING BUDGET IMPACT
STORM SEWER UTILITY		
<p>General Storm Sewer Improvements <i>Ongoing funding for the general repair & maintenance of the storm sewer system.</i></p>	\$ 30,300	No Additional Operating Budget Impact Expected
<p>SU089 - Replacement of Storm Drain Inlets <i>This project will replace existing storm drain inlets that are deteriorating. This will help to prevent possible flooding due to storm drain inlet malfunctions. Regularly replacing inlets will help Ogden City to remain consistent with the MS4 permit and reduce safety risks to our residents, pedestrians, and vehicles. It is anticipated that this will be a multi-year project with annual allocations for inlet replacement.</i></p>	\$ 110,100	No Additional Operating Budget Impact Expected
<p>SU046 - 36th Street Storm Drain <i>Currently there isn't a storm drain on 36th Street between Washington Blvd and Wall Ave. Localized flooding occurs due to the lack of storm drain in the area. This project will install storm drain piping along 36th Street west of Riverdale Road.</i></p>	\$ 697,275	No Additional Operating Budget Impact Expected
<p>SU078 - Weber & Ogden Rivers Restoration <i>Ogden City's storm water drains into both the Weber River and Ogden River. Years of degradation have left river banks channelized and void of natural vegetation. Poor methods were used to stabilize and control flooding, leaving banks susceptible to future flooding and failure. The Ogden River restoration successfully withstood against a 100-year flood event while it was being finished. Cross veins installed created healthy thalwegs and river channels while also providing for sediment transport. It is proposed to implement the same type of design and construction along other portions of the rivers within Ogden City boundaries.</i></p>	\$ 505,050	No Additional Operating Budget Impact Expected
<p>SU095 - 9th Street Flooding - Liberty to Clover <i>The City experiences periodic flooding at 9th Street and Grant Avenue and along 9th Street east of Wall Avenue. The model indicates that the 15" trunk line running down 9th Street is undersized. 9th Street between Washington Blvd and Wall Avenue does not currently have curb and gutter. This project will upsize the pipes from Washington Blvd to Mill Creek to alleviate the problems. Curb and gutter should also be installed in areas where it does not currently exist to collect storm water. Design for the project was funded in FY2015.</i></p>	\$ 1,152,525	No Additional Operating Budget Impact Expected

**OGDEN CITY
2015-2016 BUDGET
SUMMARY OF CIP PROJECTS FUNDED
STORM SEWER UTILITY FUND**

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

PUBLIC SERVICES

STORM SEWER UTILITY (Continued...)

SU096 - Downs and West Oaks Drive

\$	85,000	No Additional Operating Budget Impact Expected
----	--------	--

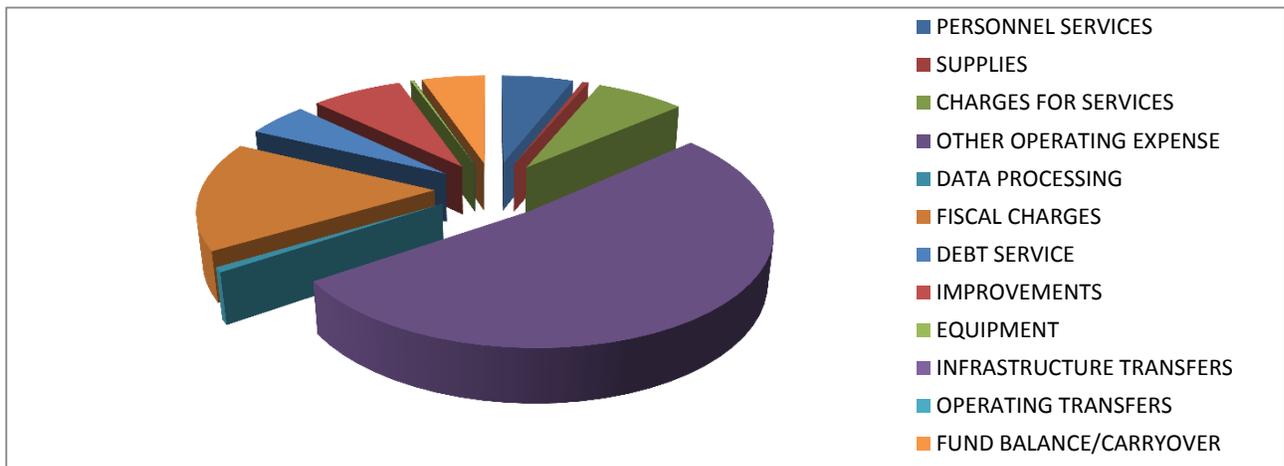

This project area is located just north of 7th Street west of Wall Avenue and east of the railroad tracks, primarily along Downs Drive. This system is a series of small local pipes that collects the storm water, routes it through a detention basin and discharges it in to injection wells along Downs Drive where the water is injected into the ground. It does not appear that the injection wells have enough capacity to handle the flows. This project will provide an outfall line along Downs Drive to connect the existing trunk line in 7th Street. The injection wells could be left in the system with the new line serving as an overflow. There is not currently enough information available to determine if this proposed solution will work. The \$21,000 funded in FY2015 was to conduct a study to determine the feasibility of this project. It is anticipated that the FY2016 \$85,000 budgeted amount will cover the design expenses. Site improvement costs will be requested in the FY2017 budget.

STORM SEWER UTILITY FUND TOTAL	\$ 2,580,250

INTERNAL SERVICE FUNDS

INTERNAL SERVICE FUNDS

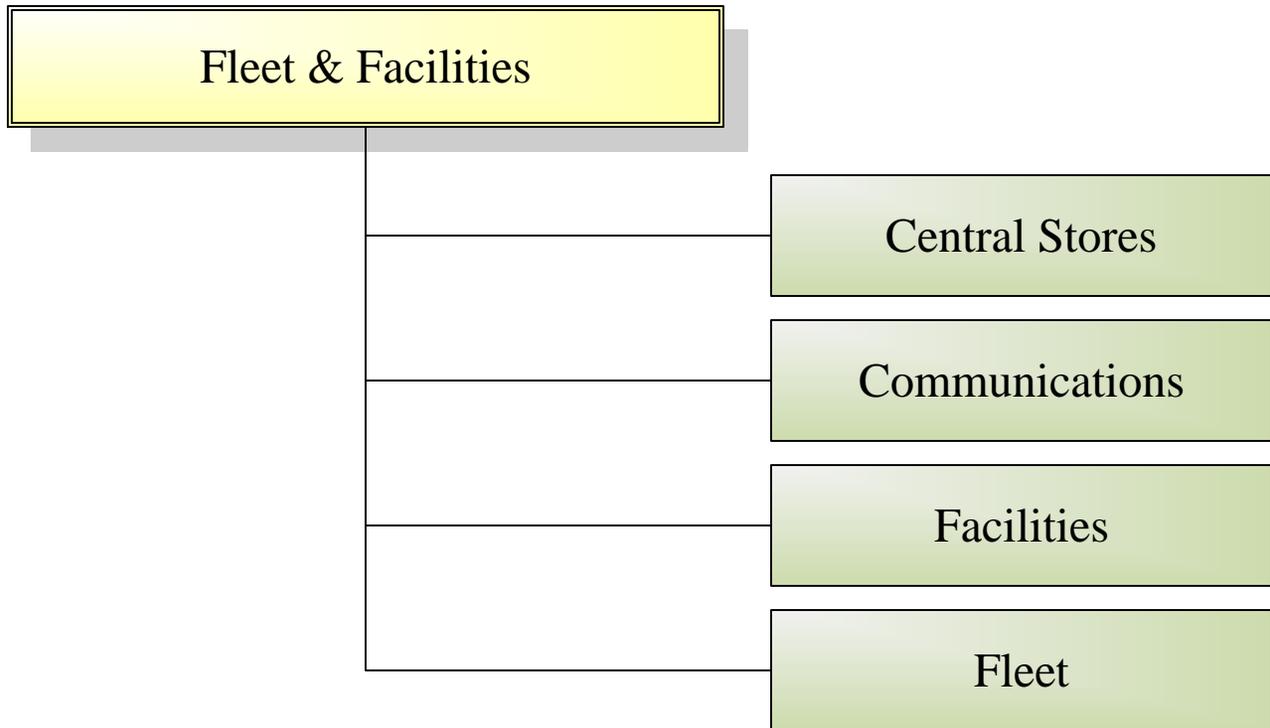

FUNCTIONS

Internal Service funds are used to account for the financing of goods or services provided by one department to other departments on a breakeven or cost reimbursement basis. These funds are also presented by area of responsibility under Management Services.

FLEET & FACILITIES

Organizational Structure

FUNCTIONS

The Fleet & Facilities Internal Service fund is used to account for the financing of goods or services provided by one department to other departments on a breakeven or cost reimbursement basis. The Fleet & Facilities fund includes costs of operating a maintenance facility for automotive, mechanical, and electrical equipment used by other departments. These costs are billed to the other departments at actual cost, which includes depreciation on the garage building, improvements, and the machinery and equipment used to provide the services. This fund also accounts for maintenance of City facilities, management of the City's radio tower and radio equipment, and a central warehouse.

INFORMATION TECHNOLOGY

Organizational Structure

FUNCTIONS

The Information Technology Internal Service fund is used to account for the financing of technology related goods or services provided by the IT Division to other departments on a breakeven or cost reimbursement basis. The IT fund accounts for the City's use of technology, system networks, telecommunications, GIS, software applications, cell phones, and Channel 17 cable TV network. Costs are charged to the departments on an estimated usage basis.

RISK MANAGEMENT

Organizational Structure

FUNCTIONS

The Risk Management Internal Service fund oversees monitoring and administering liability and workman's compensation claims against the City, determining the City's insurance needs and implementing safety programs. Costs are charged to departments on percentage basis according to type of employees and total payroll.

TRUST FUNDS

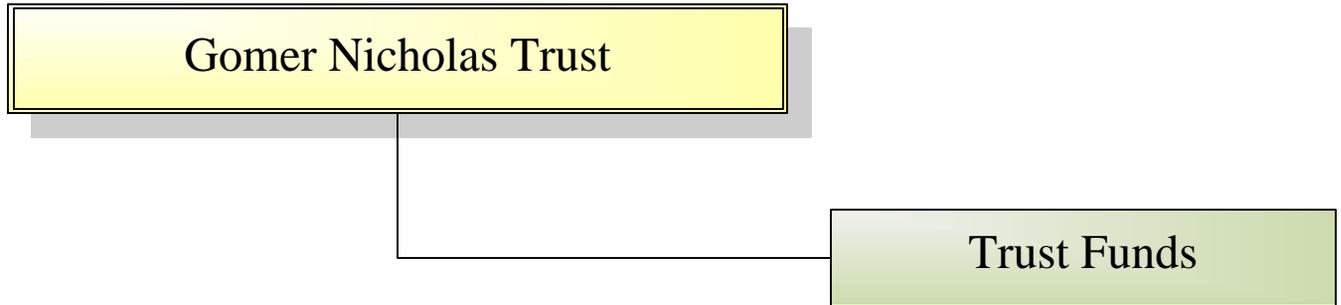

TRUST FUNDS

FUNCTIONS

Trust Funds are funds used to account for assets over which the entity acts as a trustee. Trust Funds are accounted for separately and in some cases the income only, not the principal, may be expended. Trust Funds are also used to account for grants and donations awarded to Ogden City.

GOMER NICHOLAS NON-EXPENDABLE TRUST

FUNCTIONS

Trust Funds are funds used to account for assets over which the entity acts as a trustee. These funds must be invested and the income only, not the principal, may be expended. The Gomer A. Nicholas Park Endowment Fund is a permanent fund to account for the interest earnings and the transfer of these earnings to the Capital Improvement Projects Fund for use in park development.

SUMMARY OF CIP PROJECTS FUNDED
CEMETERY PERPETUAL CARE FUND**

The City has a 5 year Capital Improvement Plan process, from which the following projects were funded:

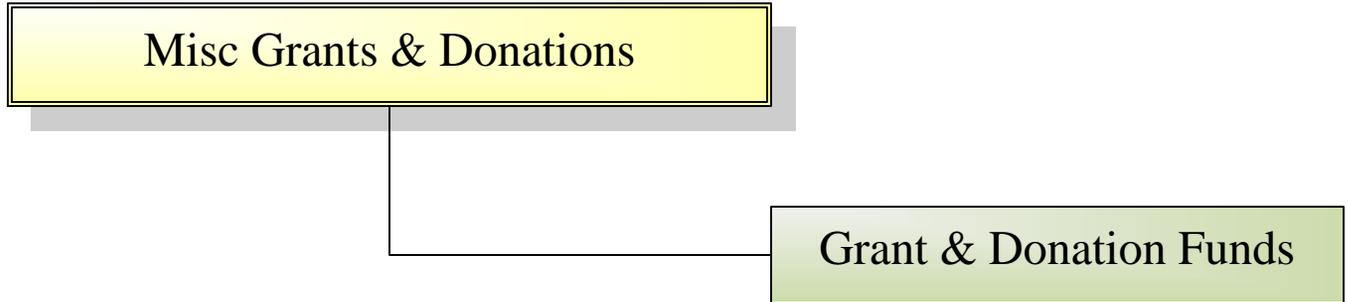

PUBLIC SERVICES	FY 2015-2016 BUDGET	OPERATING BUDGET IMPACT
CEMETERY PERPETUAL CARE FUND		
CM002 - Sprinkler System Repairs <i>This project is to install automatic sprinkler systems in several areas of the cemetery that are currently watered manually. This project will include the installation of automatic valves and electrical wires, along with funding for any curb, gutter, or road repair that is necessary. The majority of the system is not automated, so the cemetery is currently watered during the day. Repairing the sprinkler system will allow the City to be in compliance with the current water use ordinance and allow night watering. This is a recommendation from the Cemetery Enhancement Committee.</i>	\$ 171,600	No Additional Operating Budget Impact Expected

GENERAL INFORMATION

GLOSSARY

BUDGET GLOSSARY

The Annual Budget contains specialized and technical terminology that is unique to public finance and budgeting. To assist the reader of the Annual Budget document in understanding these terms, a budget glossary has been included in the document.

Appropriation:

An authorization made by the City Council which permits the City to incur obligations and to make expenditures of resources.

B & C Road Funds:

Sales tax on motor fuel collected by the State and distributed to local governments based on a per-mile-of-road formula.

BDO:

Business Depot Ogden

Balanced Budget:

A financial plan of operation in which revenues (sources) equals expenditures (uses) for the fiscal year. All individual funds must have a balanced budget. Some funds may be balanced by using fund balance as a source of revenue. A balanced budget is required of municipalities by State Law (municipal code 10-6-110).

Baseline Budget:

Maintenance level budget adjusted for revenue constraints. Some service levels are adjusted.

Benefits:

Payments made on behalf of employees for such items as retirement and health insurance.

Budget:

Financial plan for a specified period of time (fiscal year) that matches all planned revenues and expenditures for various municipal services.

Budget Adjustment:

A legal procedure utilized by the City staff and City Council to revise a budget appropriation.

Budget Calendar:

The schedule of key dates or milestones which the City departments follow in the preparation, adoption, and administration of the budget.

Budget Message:

The opening section of the budget which provides the City Council and the public with a general summary of the most important aspects of the budget, changes from the current and previous fiscal years, and the views and recommendations of the Mayor.

CAO:

Chief Administrative Officer

CVB:

Convention and Visitors Bureau

BUDGET GLOSSARY (continued)

Capital Equipment Budget:

The portion of the annual operating budget that appropriates funds for the purchase of capital equipment items. These expenditures are often separated from regular operating items, such as salaries, utilities, and office supplies. The Capital Equipment Budget includes funds for capital equipment purchases, such as furniture, machinery, computers and special tools, which are usually distinguished from operating items according to their value and projected useful life. The dollar value varies according to the policy established by each jurisdiction.

Capital Expenditures:

Expenditures to acquire fixed assets or to fund major capital improvements.

Capital Improvement Program:

A plan for capital expenditures to provide long-lasting physical improvements to be incurred over a fixed period of several future years.

Capital Improvement Program Budget:

A Capital Improvement Program (CIP) Budget is a separate budget from the operating budget. Items in the CIP are usually construction projects designed to improve the value of government assets. Examples of capital improvement projects include new roads, sewer lines, buildings, recreational facilities and large scale remodeling.

Capital Outlay:

Expenditures to acquire fixed assets or to fund major capital improvements.

Certified Tax Rate:

The rate of tax to be levied and collected upon the assessed valuation of all property.

Charges and Services:

Expenditures for such items as utility costs and contractual agreements.

CIP:

Abbreviation for Capital Improvement Project.

Contingent:

Funds budgeted for unknown or unexpected expenditures during the budget year.

Current Service Level:

See Maintenance Level Budget.

Data Processing:

Expenditures for computer services or computer-oriented purchases such as hardware and software.

BUDGET GLOSSARY (continued)

Debt Service:

The City's obligation to pay the principal and interest of all bonds and other debt instruments according to a pre-determined payment schedule.

Department:

A major administrative division of the City which indicates overall management responsibility for an operation or group of related operations within a functional area.

Disbursement:

Payment for goods and services in cash or by check.

Encumbrance:

The commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for a future expenditure.

Enterprise Fund:

A governmental accounting fund in which the services provided are financed and operated similarly to those of a private business. The rate schedules for these services are established to insure that revenues are adequate to meet all necessary expenditures. Enterprise funds in Ogden City are established for services such as water, sewer, airport, golf courses, refuse, Union Station, recreation, and medical services.

Estimated Revenue:

The amount of projected revenue to be collected during the fiscal year. The amount of revenue appropriated is the amount approved by Council.

Expenditure:

This term refers to the outflow of funds paid or to be paid for an asset obtained or goods and services obtained regardless of when the expense is actually paid. This term applies to all funds. Note: An encumbrance is not an expenditure. An encumbrance reserves funds to be expended.

Expenses:

Charges incurred (whether paid immediately or unpaid) for operation, maintenance, interest and other charges.

Fiduciary Fund Type:

This type of fund is used for activities performed by a governmental unit that are of a trustee nature. The functions can be either governmental or proprietary in nature and are accounted for on the basis of either activity.

Fiscal Year:

The twelve-month period designated by the State Code signifying the beginning and ending period for recording financial transactions.

BUDGET GLOSSARY (continued)

Fixed Assets:

Assets of long-term character which are intended to continue to be held or used such as land, buildings, machinery, furniture and other equipment.

Fund:

An accounting entity that has a set of self-balancing accounts and that records all financial transactions for specific activities or government functions.

Fund Balance:

Fund balance is the excess of assets over liabilities.

General Fund:

The largest fund within the City, the General Fund accounts for most of the financial resources of the government. General Fund revenues include property taxes, licenses and permits, local taxes, service charges such as fire and police protection, finance, parks and recreation, public works and general administration.

Governmental Fund Type:

This type of fund is used to account for activities usually associated with a typical state or local government's operations. The measurement of activity is on current financial resources for sources and uses of funds.

Grant:

A contribution by a government or other organization to support a particular function. Grants may be classified as either categorical or block depending upon the amount of discretion allowed the grantee.

Interfund Transfers:

Amounts transferred from one fund to another.

Intergovernmental Revenue:

Revenue received from another government for a specified purpose.

Internal Service Fund:

Funds used to account for the financing of goods or services provided by one department to another department on a cost reimbursement basis.

Levy:

To impose taxes, special assessments, or service charges for the support of City activities.

Line-Item Budget:

A budget that lists each expenditure category (salary, materials, telephone service, travel, etc.) separately along with the dollar amount budgeted for each specified category.

MBA:

Municipal Building Agency

BUDGET GLOSSARY (continued)

Major Fund:

The general fund and any other governmental or enterprise fund whose revenue, expenditures/expenses, assets, or liabilities are at least 10% of the total for all governmental or enterprise funds in the appropriated budget.

Maintenance Level Budget:

Funds budgeted to maintain services and programs at present levels.

Non-Departmental:

Expenditure items in the General Fund that are not related to a specific department. The major items budgeted in this category include general obligation bond payments and transfers to other funds.

Operating and Maintenance Supplies:

Expenditures for goods and services used in day-to-day operations such as office supplies.

Operating Budget:

The portion of the budget that pertains to daily operations that provide basic governmental services. The operating budget contains appropriations for such expenditures as personnel, supplies, utilities, materials, travel and fuel.

Operating Expense:

Expenditures incurred in day-to-day operations including operating and maintenance supplies, travel and education, charges and services, data processing and other operating expense.

Other:

Miscellaneous expenditures not included in other categories of expense.

Other Operating Expense:

Other miscellaneous daily operating expenditures.

Personnel Services:

Salary and payroll benefits paid to employees.

Program Budget:

A budget that focuses upon the goals and objectives of an agency or jurisdiction rather than upon its organizational budget units or object classes of expenditure.

Property Tax:

Taxes levied on real and personal property according to the property's assessed value.

Proprietary Fund Type:

This type of fund is used to account for activities that emulate the private sector. The measurement of activity is on an economic basis which allows the reporting of all assets and liabilities associated with an activity.

BUDGET GLOSSARY (continued)

RDA:

Redevelopment Agency

Range:

The lower and upper limits of salary for each authorized employment position ranked according to difficulty of services performed. Advancement within a range occurs at periodic intervals (usually annual) based on merit.

Reserve:

An account used to indicate that portion of a fund's balance that is legally restricted for a specific purpose and is, therefore, not available for general appropriation.

Revenue:

Funds that the government receives as income. It includes such items as tax payments, fees from specific services, receipts from other governments, fines, forfeitures, grants, shared revenues and interest income.

Risk Management:

An organized attempt to protect a government's assets against accidental loss in the most economical method.

Salaries:

Payments made to employees for services rendered.

Source of Revenue:

Revenues are classified according to their source of point of origin.

Step:

Within a salary range, the level of pay earned by an employee.

Structurally Balanced Budget:

For a budget to be structurally balanced, recurring revenues equal or exceed recurring expenditures rather than using non-recurring revenues to cover ongoing, recurring expenditures. A structurally balanced budget supports financial sustainability.

TRT:

Transient Room Tax

Transfers to Other Funds:

To move money to another fund in order to assist that fund in meeting operational or special project costs.

Travel and Education:

Expenditures incurred for equipment and vehicle operating costs such as repairs and maintenance as well as costs associated with educational conferences and seminars.

URMMA:

Utah Risk Management Mutual Association

BUDGET GLOSSARY (continued)

Unencumbered Balance:

The amount of an appropriation that is neither expended or encumbered. It is essentially the amount of money still available for future purchases.
