

Presents:

MUTTS ON THE MOUNTAIN

and **BARK IN THE PARK**

Ogden City Animal Services would like to invite you to the first annual 5K run "Mutts on the Mountain" on May 7th of 2016.

This event will be fun for the whole family and their pets and will precede the Annual Bark in the Park event at Lorin Farr Park.

There will be a 5K trail run on the Bonneville shoreline trail for pets and their owner to help promote our mountain trails in the Ogden Area. And raise money for vet care to help injured stray animals.

All proceeds for this event will go towards vet care for lost/found animals, discounted vaccines for pets, and discounted spays and neuters for Ogden's animals.
